Chairman's Message

Dear Shareholders,

It gives me immense pleasure to present the Annual Report of Dhanlaxmi Bank for the financial year 2025–26. The year reflects the Bank's unwavering commitment to sustainable growth, responsible banking, and the trust reposed in us by our customers, shareholders, employees, and other stakeholders. With utmost joy, this Bank, which was established years back as a small bank in the small town of Thrissur by a group of enterprising people, is entering into its 100th year of operations a few days from now. At this juncture, I humbly bow my head before the memories of its visionary founders as well as the early patrons whose untiring efforts, which are inspiring for younger generations, had helped the Bank to move forward.

During the year, the Bank registered encouraging growth in deposits, advances, income, and operating profitability. We remained focused on understanding the evolving needs of our customers and delivering banking services that are faster, safer, and more convenient. Significant investments were made to strengthen our digital capabilities and enhance the overall customer experience, enabling us to offer innovative and seamless banking solutions.

Customer centricity continues to be at the heart of everything we do. Service excellence, transparency, integrity, and long-term relationships remain the cornerstones of our business philosophy. We are committed to delivering superior value to our customers while maintaining the highest standards of governance and operational excellence.

As we move forward, our focus will remain on sustainable growth, financial resilience, and long-term value creation. We will continue to strengthen our products, services, and digital infrastructure while embracing innovation to meet the changing expectations of our customers. We are confident that the Bank is well-positioned to capitalize on future opportunities and navigate the evolving financial landscape with strength and agility.

I extend my sincere gratitude to our valued customers, shareholders, employees, business partners, and regulators for their continued trust, confidence, and unwavering support. Their encouragement has been instrumental in the Bank's progress and success.

Together, let us continue to uphold our legacy of trust and move forward with confidence towards a future defined by innovation, sustainable growth, and enduring value creation. Let us always uphold the Vision of Dhanlaxmi Bank "Banking on Relationships forever".

With warm regards,

K N Madhusoodanan

MD & CEO'S Message

Dear Shareholders,

As Dhanlaxmi Bank moves towards its historic centenary in 2027, we reflect with pride on a journey built on trust, resilience and unwavering commitment to our stakeholders. From our humble beginnings in Thrissur in 1927, the Bank has evolved into a trusted financial institution, deeply rooted in tradition while embracing the opportunities of a dynamic future. I consider it a privilege to present the annual report for the financial year 2025-26, a year that reset many benchmarks in the history of the Bank.

The financial year 2025-26 marks another significant milestone in our transformation journey. Having successfully navigated a challenging phase over the past decade, the Bank has emerged stronger, driven by the collective efforts of our employees, the confidence of our customers, the guidance of our Board of Directors and the continued support of all our stakeholders.

Despite the evolving economic environment and emerging challenges, the Bank remained resilient and continued its growth journey with a clear strategic focus and prudent business practices. We undertook several initiatives to enhance operational efficiency, strengthen risk management and internal controls and leverage technology to improve overall performance. These efforts have enabled us to achieve notable progress across key financial and operational parameters.

Our performance reflects the strength of this foundation. We strengthened our balance sheet, enhanced asset quality and maintained prudent risk management practices. Our Gold Loan, Retail, MSME and CASA businesses have continued to record encouraging momentum, while our digital transformation initiatives are enabling us to deliver faster, simpler and more customer-centric banking experiences. The renewed enthusiasm in our forex business is another area we are really looking to build upon in the days ahead.

Often referred to as 'God's Own Bank' because of our long-standing association with the divine centres, we remain committed to preserving the trust that generations of customers have placed in us. We are also investing in our technology-driven products to welcome 'Gen Zs' and 'Gen Alphas' on board to ensure our commitment to responsible banking, sustainable growth and creating lasting value across all stakeholders.

Looking ahead, we aspire to sustain the business growth we achieved in FY 2025-26, expand our presence across key markets, strengthen our retail franchise, accelerate digital innovation and continue investing in our people. With disciplined execution and customer-centric innovation, we are confident of building a stronger, future-ready institution.

On behalf of the Board and the Management, I extend my heartfelt gratitude to our shareholders, customers, employees, regulators, business partners and well-wishers for their continued trust and support. Your confidence has been the cornerstone of our progress and inspires us to strive for greater excellence.

As we enter the final phase of our journey towards 100 years of banking excellence, we remain committed to building a resilient, progressive and trusted Bank for generations to come.

Thank you for your unwavering support.

Warm regards,

Ajith Kumar K K

to their jobs/role size, performance, accomplishments, contribution, skill, aptitude and competence to implement standards on sound compensation practices and incentives and to provide effective governance of compensation payable to the employees, alignment of compensation with prudent risk taking and effective supervisory oversight. The disclosure requirement of the remuneration is separately provided in “Disclosure under Basel III norms.”

The Board considers the recommendations of the Nomination & Remuneration Committee and approves the remuneration, with or without modifications, subject to regulatory approvals. The remuneration payable to MD & CEO / Whole-time Directors is subject to prior approval of the Reserve Bank of India (RBI). Therefore, the remuneration or any revision in remuneration to MD & CEO / Whole-time Directors is payable only after receipt of the approval from RBI.

The non-executive Directors are paid sitting fees for attending each meeting of the Board of Directors or any Committee thereof as approved by the Board, within the permissible limits prescribed under the Companies Act, 2013, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other regulatory guidelines, as amended from time to time. The Board while recommending any change in the sitting fees considers various factors like size and complexity of organization, comparison with the peer banks and regulatory guidelines as applicable. Apart from sitting fees, the Bank does not pay any other remuneration to the non-executive Directors.

The total remuneration paid to MD & CEO, Executive Director and non-executive Directors for the financial year 2025-26 is included in the Report on Corporate Governance forming part of this Report.

The Remuneration Policy of the Bank is hosted on the website of the Bank <https://www.dhan.bank.in/pdf/Nomination-and-Remuneration-Policy-8.0.pdf>.

Abraham & Jose, Chartered Accountants, Thrissur (FRN-000010S) for the financial year 2025-26 for their third year and second year respectively to hold office as the Joint Statutory Central Auditors of the Bank from the period commencing from the conclusion of the 98th Annual General Meeting to the conclusion of the 99th Annual General Meeting of the Bank.

M/s Sagar & Associates, Chartered Accountants, Hyderabad, will be completing their third year of engagement by conclusion of the 99th Annual General Meeting scheduled to be held on Wednesday, September 23, 2026 and therefore, shall not continue as the Joint Statutory Central Auditors of the Bank in accordance with the guidelines issued by Reserve Bank of India. The Reserve Bank of India vide. Letter No CO. DOS.RPD. No. S3063/08.08.005/2026-27 dated July 23, 2026 has approved appointment of M/s. Abraham & Jose, Chartered Accountants (FRN 000010S) and M/s. G. Natesan & Co., Chartered Accountants (FRN 002424S), Chennai as the Joint Statutory Central Auditors of the Bank for the financial year 2026-27, for their third year and first year respectively. Accordingly, the Board of Directors of the Bank has placed the proposal for the appointment of M/s. Abraham & Jose, Chartered Accountants and M/s. G. Natesan & Co., Chartered Accountants, Chennai as the Joint Statutory Central Auditors of the Bank for the financial year 2026-27, for their third year and first year respectively, to the Shareholders for their approval at the 99th Annual General Meeting of the Bank scheduled to be held on Wednesday, September 23, 2026.

A total fee of ₹ 50 Lakhs (Rupees Fifty Lakh only) plus applicable taxes was paid to the Statutory Central Auditors M/s. Sagar & Associates and M/s. Abraham & Jose for Audit, Certification, Quarterly Review and Tax Audit for the FY 2025-26. The travelling

and out- of pocket expenses related to the audit/review were additionally reimbursed on actual basis.

There is no qualification or adverse remark in the Auditors' Report for the financial year 2025-26.

Secretarial Auditors and Secretarial Audit Report

Subject to the approval of Shareholders, the Board of Directors of the Bank has appointed Sri M. Vasudevan as the Secretarial Auditor of the Bank for a term of 5 years i.e., from the financial year 2025-26 to the financial year 2029-30, based on the recommendation of the Audit Committee of the Board. The Bank has provided all assistance and facilities to the Secretarial Auditor for conducting their audit. The report of the Secretarial Auditor is annexed to this report. The Secretarial Audit Report for the financial year 2025-26 does not contain any qualification, reservation, adverse remark or disclaimer of opinion.

Annual Return

Pursuant to Section 92 (3) of the Companies Act, 2013 and Section 134 (3) (a), the Annual Return is hosted on the Bank's website at <https://www.dhan.bank.in/pdf/15-Annual%20Return.pdf>

Related Party Transactions

The Bank has adopted the "Policy on Materiality of Related Party Transactions and Dealing with Related Party Transactions" in accordance with the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Policy is hosted on the website of the Bank at <https://www.dhan.bank.in/pdf/Policy-Materiality-Related-Party-Transactions-Dealing-Related-Party-Transactions-8.0.pdf>.

During the financial year, the Bank did not enter into any related party transactions with its Directors or Key Managerial Personnel or their Relatives that would potentially conflict with and/ or adversely affect the interests of the Bank. In accordance with the circular issued by Reserve Bank of India on "Disclosure in Financial Statements – 'Notes to Accounts' dated July1, 2015 – Para 4.5 Accounting Standard 18 – Related Party Disclosures", the remuneration paid to Managing Director & CEO and the Executive Director alone qualifies for classification as Related Party Transaction, for which the Bank has taken due approvals of the Reserve Bank of India and the Shareholders of the Bank. However, in accordance with the provisions of Regulation 23 (9) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the remuneration paid to Managing Director & CEO and the Executive Director does not fall within the purview of Related Party Transactions. Further, there was no related party transaction for which Form AOC-2 was applicable.

Risk Management Policy Framework

The Bank has a comprehensive policy framework which contains separate policies for identification, measurement and

management of all material risks including but not limited to credit, market, operational, liquidity and other Pillar-II risks. The Bank has put in place integrated risk management policies which ensure independence of the risk governance structure. The required standard operating procedures also follows the Policies to ensure that all the parameters are well covered while implementing the approved policies. The details of risk management practices are provided in Management Discussion and Analysis Report annexed to the Director's Report.

Compliance With Capital Adequacy Framework

In compliance with regulatory guidelines on Pillar I of Basel III norms, the Bank has computed capital charge for credit risk as per the Standardized Approach, for market risk as per the Standardized Duration Method and for operational risk as per the Basic Indicator Approach. To address Pillar II risk, the Bank has implemented ICAAP (Internal Capital Adequacy Assessment Process), to integrate capital planning with budgetary planning and to capture residual risks which are not addressed in Pillar I, like credit concentration risk, interest rate risk in the banking book, liquidity risk, earnings risk, strategic risk, reputation risk, pension obligation risk etc. The Bank has adopted a common framework for additional disclosures under Pillar III for adhering to the market discipline norms of Basel III guidelines. This requires the Bank to disclose its risk exposures, risk assessment processes and its capital adequacy to the market in a consistent and comprehensive manner.

Adequacy of Internal Financial Controls related to Financial Statements

The Bank has laid down a system of internal financial controls with reference to its financial statements. The integrity and reliability of the internal control systems are achieved through clear policies and procedures, process automation, training and development of employees, and an organisation structure that segregates responsibilities. These controls are reviewed and tested by the internal audit team to ensure the accuracy and completeness of the accounting records and the preparation of reliable financial statements. The internal financial controls of the Bank with respect to the financial statements are adequate and are operating effectively.

Particulars Regarding Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo (as required under Section 134 (3)(m) of the Companies Act, 2013 Read with Rule (8)(3) of The Companies (Accounts) Rules, 2014)

To reduce its carbon footprint and enhance resource efficiency, the Bank has undertaken various energy conservation initiatives at its premises. The Bank's Mattancherry Branch is currently operating on solar energy. The Bank is also in the process of installing solar power systems at Corporate Office and other Bank-owned premises. Further, energy-efficient equipment is being deployed across branches and administrative offices to optimize power consumption.

The Bank continues to leverage information technology extensively to deliver quality services to its customers. It remains committed to digital transformation, with ongoing investments in analytics and paperless technologies aimed at enhancing operational efficiency and improving both internal and customer-facing processes.

In addition, the Bank actively supports the country's export efforts through its trade finance operations, thereby contributing to foreign exchange earnings.

Investor Education and Protection Fund

The Bank transferred the entire pending unclaimed dividend amount to the Investor Education and Protection Fund (IEPF) during the financial year 2018-19. There was no amount of dividend pending to be transferred to the fund in the financial year 2025-26.

In terms of Section 124 (6) of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended from time to time, it may be noted that if the dividends have been unpaid or unclaimed for seven consecutive years or more the underlying shares shall be transferred to the IEPF Demat Account maintained with depositories. Upon transfer of such shares to IEPF account, all benefits (eg. bonus, split, etc.), if any, accruing on such shares shall also be credited to the IEPF Demat Account and the voting rights on such shares shall remain frozen till the rightful owner claims the shares. The members/claimants whose shares, unclaimed dividend etc. have been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority as per the procedure prescribed in the IEPF Rules.

Maintenance of Cost Records

Being a Banking Company, the Bank is not required to maintain cost records as per sub-section (1) of Section 148 of the Companies Act, 2013.

Subsidiary Companies

The Bank does not have any subsidiary companies.

Compliance to Secretarial Standards

The relevant Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI) related to the Board Meetings and General Meetings have been complied with by the Bank.

Confirmation with respect to Insolvency and Bankruptcy Code, 2016

As per section 3(7) of The Insolvency and Bankruptcy Code, 2016, "Corporate person" does not include any financial service provider, but under section 3(17) of IBC, "Bank" is treated as "Financial Service Provider". However as per the said section, normal creditors cannot directly trigger action against the Bank under IBC, but prior permission/consent and approval is required

from the Financial Regulator, RBI. There is no application or proceeding against the Bank under Insolvency and Bankruptcy Code, 2016 during the financial year under review. Bank also had not filed any IBC cases directly against any corporate defaulter or against the personal guarantor to the Corporate Debtor during the financial year 2025-26.

Disclosures relating to deposits as required under the provisions of the Companies Act, 2013 & the Rules thereunder

Being a Banking Company, the disclosures relating to deposits as required under Rule 8(5)(v) & (vi) of the Companies (Accounts) Rules, 2014, read with Sections 73 and 74 of the Act, are not applicable to the Bank.

Details in respect of frauds reported by auditors

The Statutory Auditors have not reported any fraud under Section 143(12) of the Companies Act, 2013 during the financial year.

Particulars of Loans, Guarantees or Investments

Pursuant to Section 186 (11) of the Companies Act, 2013, the provisions of section 186 of Companies Act, 2013, except subsection (1), do not apply to a loan made, guarantee given or security provided or investment made by a banking company in the ordinary course of business.

Strictures and Penalties

During the year, BSE imposed a fine of ₹75,000 plus applicable GST and NSE imposed a fine of ₹24,000 plus applicable GST for delay in filing the halfyearly disclosure respectively with respect to related party transactions and for delay in filing the statement indicating the utilization of proceeds of nonconvertible securities. Apart from the above, no other penalties or strictures were imposed on the Bank by the Stock Exchanges, SEBI, or any other statutory authorities on matters relating to the capital market. Further, there were no significant or material orders passed by regulators, courts, or tribunals impacting the going concern status of the Bank or its future operations.

Management Discussion and Analysis Report

This has been dealt with in a separate section in the Annual Report.

Report on Corporate Governance

A separate report on Corporate Governance as required under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and certificate from Sri V. Suresh, Practicing Company Secretary certifying compliance with the conditions of Corporate Governance are annexed to this report.

Corporate Social Responsibility

In compliance with the provisions of Section 135 of the Companies Act, 2013, the Bank has constituted a Corporate Social Responsibility Committee of the Board and has formulated

a Corporate Social Responsibility Policy approved by the Board. Due to losses incurred by the Bank from FY 2013 to 2018, in compliance with the provision outlined in Section 198, these losses were offset against profits in subsequent years. Consequently, no profits were available under Section 198 of the Companies Act, 2013 for Corporate Social Responsibility purposes. Therefore, the Bank did not undertake any projects under Corporate Social Responsibility for the financial year 2025-26.

Business Responsibility and Sustainability Report

The regulatory provisions relating to the Business Responsibility and Sustainability Reporting are not applicable to the Bank for the financial year ended March 31, 2026.

Management Discussion and Analysis Report

Global Economy

The global macroeconomic landscape for 2025-26 is defined by a delicate balancing act. After navigating a wave of high inflation, sharp interest rate hikes, and shifting trade policies through 2025, the global economy faces a new set of complex challenges most notably renewed geopolitical conflicts, volatile energy markets, and structural shifts from artificial intelligence.

Global Growth trajectory – A mild softening: Global economic activity has proved highly resilient, global GDP growth is hovering between 2.9% and 3.1% for 2026, a minor softening from the estimated 2.8% to 3.00% seen in 2025.

The post – pandemic recovery remains uneven. While advanced economies have largely recovered or consolidated their output, roughly a quarter of emerging market and developing economies (EMDEs) still struggle with per capita incomes below 2019 levels.

Regional Outlooks

United States: Projected to grow around 2.0% to 2.3% in 2026. Consumer spending remains a steady pillar, and monetary policy easing provides support, through a slightly softening labour market behaves as a natural drag on momentum.

Eurozone/European Union: Growth remains modest, projected at 1.1% to 1.3% for 2026. While monetary easing helps, high tariff uncertainties, localized manufacturing headwinds and energy price fluctuations limit a sharper rebound.

China: Growth is gradually moderating to the 4.4% to 4.6% range. The economy is continually transitioning towards domestic consumption while managing structural property sector adjustments and external trade frictions.

Inflation and Monetary Policy Paradox

The dominant theme of 2024-25 was the “higher-for-longer” interest rate environment designed to cool pandemic-era inflation. While headline inflation successfully retreated towards the 2% target in many advanced economies by late 2025, the narrative has shifted slightly in 2026.

Renewed Price Pressures: Due to recent supply chain frictions and energy infrastructure disruptions in the Middle East, global headline inflation is experiencing a temporary, modest uptick in 2026 (with G-20 inflation projected near 4.0%) before it is expected to resume its downward path in 2027.

Central Bank Agility: Central banks are walking a tightrope. Easing cycles are underway, with the Federal Reserve, European

Central Bank (ECB), and Bank of England expected to gradually lower policy rates through 2026.

Dominant Headwinds and Risks

Geopolitical Conflicts and Energy Shocks: The outbreak of conflict in the Middle East has re-introduced significant volatility to commodity markets. Halts or delays in critical shipping corridors (like the Strait of Hormuz) and localized damage to energy infrastructure have spiked oil and fertilizer prices.

Sovereign Debt and Fiscal Pressures: Public debt levels worldwide have reached historical highs. Many governments are facing heavily pressured primary fiscal balances due to a combination of rising defense expenditures, climate adaptation costs and elevated debt servicing yields. This leaves very narrow fiscal buffers to respond to any new economic shocks.

Trade Fragmentation and Tariffs: The carry over effect of protectionist trade policies and tariff adjustments enacted over the last year continues to weigh on international trade growth. Global trade momentum is expected to cool to roughly 2.2% in 2026, down from a front loaded 3.8% spike in 2025.

Structural Silver Lining: AI and Tech Investment

Despite macro headwinds, capital expenditure in technology remains remarkably aggressive. High momentum in technology related production and deep investments in Artificial Intelligence (AI) are acting as a major growth engine. While these capital injections fuel pockets of immense productivity in advanced markets, economists caution that the long-term gains risk being unevenly distributed, potentially widening the structural inequality gap between technology exporting nations and developing countries.

Indian Economy

During the financial year 2025-26, the Indian economy solidified its position as the fastest growing major economy globally for the fourth consecutive year. Powered by a potent “double engine” of resilient domestic consumption and aggressive infrastructure investment, India outperformed expectations despite severe global headwinds, including escalating conflicts in the Middle East and sluggish global growth.

A landmark shift also occurred this year: the Ministry of Statistics and Programme Implementation (MoSPI) revised the GDP base year from 2011-12 to 2022-23 to more accurately capture the structural evolution of the modern digitized economy.

Growth Trajectory and Structural Rebounding: India's real GDP growth for FY'26 reached an impressive 7.4% to 7.6%, up from the 7.1% recorded in FY'25. Nominal GDP growth hovered around 8.6%.

Manufacturing Boom: Industrial performance served as a major growth anchor, with manufacturing expanding at a robust 8.4% in the first half of the year. High frequency indicators like the manufacturing PMI and e-way bill generation signaled structural strength all year long.

Dual Consumption Engine: Private consumption grew to account for 61.55% of GDP. This was anchored by two distinct recoveries: a sharp rebound in rural consumption – aided by a highly favourable south west monsoon and a steady rise in urban purchasing power, which was boosted by direct tax relief.

Capital Formation: Investment activity remained aggressive, with Gross Fixed Capital Formation stabilizing firmly at 30% of GDP.

Fiscal Discipline and Policy Highlights

The government successfully balanced growth objectives with sharp fiscal prudence maintaining its long-term consolidation target. The fiscal deficit for FY'26 was brought down strictly to 4.4% of GDP compared to 4.8% in FY'25. Capital expenditure was sustained at a massive ₹11.21 lakh Crore (3.1% of GDP), focusing heavily on interest free capital loans to states and the multi-year asset monetization program. To unlock disposable income and power consumption, the New Tax regime was rationalized. The credit guarantee cover for MSME was doubled from ₹5 Crore to ₹10 Crore, and the FDI limit in the insurance sector was raised from 74% to 100%.

Monetary and Banking Environment

RBI's Strategic Shift: After maintaining a strict "withdrawal of accommodation" stance to fight inflation, the RBI shifted its stance to "neutral" and eased systemic liquidity pressures by trimming the CRR to 3%. Headline Inflation began settling comfortably close to the 4% target. Backed by robust industrial demand and corporate capital needs, lending of Commercial banks grew by an exceptional 16.10% YoY, up substantially from 11% in the previous year. Banking balance sheets remained at multi decade health peaks, characterized by very low NPA ratios and high capital adequacy ratios.

External Pressures and Vulnerabilities

While domestic indicators flashed bright green, external vulnerabilities required highly active management.

Crude Oil threat: Escalating geopolitical tensions in the Middle East spiked global oil prices. Various research indicates that every \$10 barrel increase in crude adds roughly 35-40 basis points to domestic inflation and shaves 20-25 basis points of GDP growth.

Forex Reserves: Despite temporary balance of payment pressures arising from elevated transport and commodity insurance costs,

India's massive foreign exchange reserves acted as a vital macroeconomic shield, successfully insulating the rupee against heavy global volatility.

However, challenging periods are ahead for our economy if geo political tensions does not de-escalate.

Kerala Economy

During the FY 2025-26, the Kerala economy demonstrated steady growth with structural transformations, navigating a path of rigorous fiscal consolidation while heavily leaning into its service driven strengths. State focused on balancing severe pressures on its borrowing limits with strategic revenue generation and infrastructure expansions.

Growth Trajectory and Macro targets

GSDP Growth: Kerala's GSDP for 2025-26 shows a healthy nominal growth of 12% and the real GDP growth is stabilized around the 6.2% to 6.5% range.

Per Capita Income Outperformance: Kerala maintained its distinct position with a per capita GSDP roughly 50% to 60% higher than the national Indian average, reflecting high human development metrics, though overall output growth remains slightly below the aggressive pace of the national GDP engine.

Sectoral Dominance: The economy continues to be highly skewed toward the Services sector, which accounts for roughly 64% to 66% of the state's Gross value.

Fiscal Deficit & Debt Realities

Fiscal deficit for 2025-26 was targeted at 3.2% of GSDP. This is notable improvement from the 3.86% peak hit in FY'25. The revenue deficit is estimated to drop to 1.9% of GSDP from the 2.3% to 2.5% recorded in the preceding years. There has been continuous multi year structural decline in Central financial transfers, prompting the state to increasingly rely on State's Own Tax Revenue, which now funds over 61% of total revenue. A high percentage of Kerala's revenue expenditure remains tied up in non-discretionary commitments. Out of the estimated ₹1.79 lakhs Crore revenue expenditure, a massive ₹1.05 lakh Crore(approx.59%) goes strictly toward salaries, pensions and interest payments on outstanding public debt.

Key Policy and Sectoral Highlights

To fund developmental plans without crossing strict central borrowing limits, the state enacted major tax structure overhauls such as Land and Road tax were hiked and lifetime tax for green vehicles were systematically structured. State ramped up its capital outlay by 20% to ₹16938 Crore, driving asset creation after years of compressed capital budgets.

Primary Sector Shifts

While small in terms of overall GDP share, the primary sector saw key structural developments like Aqua culture boom where

spearheaded by proactive state backed policy interventions, fishing and aquaculture emerged as a powerful subsector engine, showing double digit growth (approx .10.50%). Crop yields for cash crops and rice experienced mild turnarounds, benefiting from highly favourable monsoon distribution profiles across the Western Ghats and coastal plains.

Regulatory Measures and Monetary Policies

Bank regulation involves the development and enforcement of guidelines and restrictions by government authorities or central banks to oversee banking institutions. These regulations are designed to ensure consumer protection, operational transparency, and the overall stability of the financial system.

A robust financial system is crucial for the economic health of any country, and banks play a central role in this system. Regulations help define the boundaries within which banks operate, ensuring they function efficiently and responsibly. These rules not only govern the operations of financial institutions but also establish a framework for their regulation and supervision, contributing to a stable and trustworthy banking environment.

Financial Performance of Bank

The Bank declared a net profit of ₹102.75 Crore for the financial year ended March 31, 2026, as against ₹66.64 Crore in the previous year.

The total business of the Bank as on March 31, 2026 stood at ₹33,771.57 Crore as against ₹28,219.11 Crore as on March 31, 2025.

Total deposits stood at ₹18,642.88 Crore and gross advances at ₹15,128.69 Crore as on March 31, 2026.

Gross NPA and Net NPA ratios stood at 1.89% and 0.51% respectively during the year under review, as against 2.98% and 0.99% respectively in the previous year.

The CRAR as on March 31, 2026 was 18.92%, as against 16.12% as on March 31, 2025.

Pursuant to Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the details of ratios and the details of any change in Return on Net Worth as compared to the immediately previous financial year are given below:

Ratios	Mar-25	Mar-26	Variance In %
Operating Profit Margin (Note 1)	6.39%	12.06%	88.73%
Operating Profit as a percentage to Working Funds (Note 1)	0.57%	1.11%	94.74%
Net Profit Margin (Note 1)	4.48%	5.73%	27.90%
Debt Equity Ratio (Note 2)	Nil	0.12	100.00%
Return on Assets (Note 3)	0.40%	0.53%	32.50%
Return on Net worth (Note 3)	5.65%	8.13%	43.89%

1. Operating Profit Margin, Operating Profit as a percentage to Working Funds and Net Profit Margin: The ratio improved due to higher Net Interest Income and Non-Interest income. The Bank's gross advance increased by 23.95%, i.e., from ₹12206 Crore to ₹15129 Crore. Major component of increase in non-interest income are recovery from written off accounts, loan processing fees and commission from insurance products.
2. Debt Equity Ratio: The Debt- Equity ratio stood at 0.12 as on March 31, 2026 compared to Nil position in the previous year. During the year ended March 31, 2026, the Bank issued lower Tier II Bonds of ₹150.00 Crore, whereas there was no outstanding debt with residual maturity exceeding one year as on March 31, 2025.
3. Return on Assets and Return on Net worth: Return on Assets and Return on net worth has increased due to increase in net profit from ₹66.64 Crore to ₹102.75 Crore.

Strategies of Bank

The Bank continues its focus on profitability, asset quality, resilient loan book focusing on robust retail liability portfolio, optimum organizational structure and technology initiatives to achieve the business goals.

A continued focus was placed on securing adequate returns on assets while maintaining transparency and efficiency in the sanctioning process. The department adopted a robust risk-return evaluation model, aligning with industry best practices and contributing to the Bank's objective of sustainable and responsible credit growth.

Credit Administration & Monitoring

Credit Administration & Monitoring (CAM) Department is integral to safeguarding the Bank's credit portfolio and ensuring asset quality throughout the post-sanction lifecycle. CAM Dept oversees creation of security, and continuous monitoring of account conduct, ensuring compliance with sanction terms. Through proactive remediation and an effective Early Warning Signals (EWS) system, CAM Dept identifies emerging risks and potential fraud, enabling early intervention and mitigating credit risk to maintain portfolio integrity and prevent slippages into NPAs.

A sustained and encouraging improvement in stressed asset indicators has been observed over the three-year period ending 31 March 2026. The SMA ratio, as a proportion of Total Gross Advances, declined from 1.77% to 1.65% and further to 0.57%, representing a reduction of 0.12% in FY 2024-25 and 1.08% in FY 2025-26. Total SMA stood at ₹84.32 Crore, marking a historic all-time low. This consistent downward trajectory reflects strengthened monitoring and improved collection efficiency, underscoring the effectiveness of ongoing asset quality management efforts.

Non-Performing Assets Management

Bank has shown consistent improvement in NPA management in recent years, reflecting strong recovery efforts and prudent credit monitoring. During the financial year 2025-26, our Bank demonstrated significant progress in managing its NPAs, reflecting enhanced asset quality and effective credit risk management. The Bank achieved a notable reduction in its Gross NPA levels, bringing it down from ₹364.11 Crore to ₹ 286.38 Crore. The bank's gross NPA ratio declined to 1.89% by March 2026, down from 2.98 % the previous year, while the net NPA ratio improved to 0.51 % from 0.99 %. The achievement is particularly noteworthy as it reflects the Bank's sustained focus on recovery, early resolution of stress despite macroeconomic challenges.

Finance & Accounts

The Finance and Accounts function continued to play a central role in strengthening the Bank's financial discipline, transparency, and regulatory compliance framework during the year. The Department remained focused on enhancing process efficiency, strengthening internal controls, and supporting strategic decision-making through reliable financial insights.

The Bank maintained robust financial reporting systems, ensuring timely and accurate preparation of financial statements in line with regulatory requirements. Continuous improvements were undertaken in financial disclosures and internal controls to enhance transparency and reliability. During the year, focused efforts were made to enhance automation in financial reporting processes, reduce manual interventions, and improve data integrity through system-driven controls.

In the area of profitability and balance sheet management, the function provided critical insights on yield optimization, cost of funds, and asset mix. Focus remained on improving key metrics such as Net Interest Margin, Return on Assets, and Return on Equity.

The Bank continues to follow a disciplined and compliant approach to taxation, ensuring timely adherence to applicable direct and indirect tax regulations. Proactive management of tax assessments and ongoing litigations remains a priority, along with prudent tax planning within the regulatory framework.

With regard to evolving regulatory requirements especially with respect to moving to Indian Accounting Standards framework; impact assessments, system enhancements, and parallel runs are being undertaken to ensure a seamless transition.

Treasury

Our treasury department efficiently manages our funding position and ensures compliance with regulatory reserve requirements. Bank invest in sovereign and corporate debt instruments, equities, commercial paper, mutual funds, and other money market instruments to manage short-term liquidity. Additionally, based on our Board approved treasury management policy, Bank adhere to intra-day, overnight, and monthly gap limits, and our exposures remain within these limits. We also engage in proprietary trading, liquidity management, and booking forex forward contracts for our customers.

The Bank's gross Investment portfolio as on 31 March 2026 was ₹4257.44 Crore consisting of ₹4086.77 Crore SLR instruments and ₹170.67 Crore non SLR instruments. In domestic treasury operation, the yield of investment portfolio was 6.75 %. During the year ended 31.03.2026, there was net depreciation of investment in SLR categories and net appreciation in Non SLR categories. Treasury booked a trading profit of ₹11.03 Crore during the Financial Year vis-à-vis trading profit of ₹13.19 Crore during the previous Financial Year. Decline in profit was primarily due to unprecedented macro-economic factors which hit the market in a big way during Q4 of FY 2025-26 primary reasons of which are as stated below.

Global financial markets remained under sustained pressure due to escalating geopolitical tensions, in key energy-producing middle east regions. This led to a sharp increase in crude oil and energy prices, which in turn revived inflationary concerns across major economies due to supply chain disruptions.

Persistent inflationary pressures prompted major central banks, including the ECB and the Bank of England, to maintain a hawkish policy stance, with indications of higher interest rates for a prolonged period. The US Federal Reserve also indicated limited scope for near-term rate cuts. Consequently, global bond yields hardened across markets and risk appetite weakened, with a more pronounced impact on emerging economies.

In line with global trends, the Indian debt market also witnessed significant volatility, with government bond yields moving sharply higher. The 10-year benchmark yield hardened considerably during the period and touched high of 7.1436%, while the Indian Rupee depreciated to all time low of ₹95.2300, adding further pressure on foreign investment flows and bond valuations. Consequently, mark-to-market losses have shot up across the government securities portfolio.

Aggregate profit of Treasury for the financial year was ₹62.21 Crore vis-a vis ₹49.65 Crore for the previous financial year.

Infrastructure Management

Infrastructure department takes care of Management of Premises, Fixed Assets, Security & communication equipment, etc., and getting infrastructure related works done. Building on the progress of previous years, the Bank has undertaken key initiatives to modernize its systems, improve operational efficiency and deliver seamless digital services. The volume of digital transactions is now 90% of the total transactions.

A major milestone during the year was the successful implementation of the Loan Origination System (LOS). These systems have streamlined the end-to-end credit lifecycle, enabling faster processing, improved monitoring and better risk management.

The Bank has also significantly strengthened its IT Governance framework through enhanced policies, improved control mechanisms and closer alignment with regulatory and industry best practices. This has further reinforced the Bank's commitment to secure, compliant and resilient technology operations.

In line with its customer-first approach, the Bank has undertaken substantial enhancements to its Internet Banking and Mobile Banking platforms. These improvements have focused on user experience, accessibility, performance optimization and advanced security features, resulting in increased customer engagement and adoption of digital channels.

The Bank continues to invest in digital initiatives, automation and paperless processes to improve efficiency across internal operations as well as customer-facing services. Further, the Bank undertakes regular resilience and recovery exercises on a half-yearly basis and periodically evaluates its technology infrastructure and cyber security posture to ensure business continuity and operational stability.

Alternate Channels

The Alternate Channels Department is responsible for the deployment, maintenance, and support of Automated Teller Machines (ATMs) and Cash Recycling Machines (CRMs). As on March 31, 2026, the Bank has deployed 285 ATMs/CRMs across the country. During the branch relocation exercise, six existing ATMs were shifted to the new premises of the respective branches. Additionally, three new onsite ATM locations were commissioned. This relocation ensured that customers continued to have uninterrupted access to cash withdrawal facilities at the most convenient locations aligned with branch operations. Additionally, five offsite ATMs were strategically closed and moved to onsite locations within branch premises. This decision was aimed at significantly reducing recurring rental, maintenance, and security costs associated with operating ATMs at external sites, while improving operational control. To further improve cost efficiency the Cash Replenishment & Administration (CRA) handling of 3 ATMs was transferred to their respective branches. This decentralization allows branches to directly oversee ATM cash management, resulting in faster response times for replenishment and issue resolution, as well as reduced reliance on centralized vendor services.

As part of infrastructure upgradation,

- the Bank onboarded three ATM vendors viz. OKI, Diebold, and Hitachi for deployment of diverse ATM models at branches. Further, all VSAT connectivity was migrated to 5G network through M/s Hughes Communications.
- Onboarded M/s Hitachi for ATM loading activities, which help us the offsite ATM loading activity. And Onboarded M/s Diebold for the ATM management services and SLM activities.
- Migration to the revamped debit card management system- Crotex.
- Implemented the PIN Encryption facility from "Variant" to "Key Block" for RuPay NFS network which will enhance the integrity and security of transactions on the RuPay and NFS network.
- Implemented Online Dispute Resolution process for both issuing and acquiring ATM transactions for handling and resolving customer complaints online in a better way.
- Implemented NPCI program to implement EMV 3DS standard which is named as NPCI Secure Nxt, which provides a strong security layer for user authentication and complies with EMV and regulator's regulations
- Implementation of Visa Clearing Exchange (VCX) which Visa's next-generation clearing and settlement interface designed to replace the existing Edit Package 4.0 application. VCX enables secure, efficient, and standardized exchange of clearing data between Visa Net and endpoint processors.

In line with our focus on digital payments, 1590 new Sound Box devices were installed at merchant outlets. These devices provide instant audio confirmation of successful transactions, boosting

merchant confidence and reducing payment disputes. Alongside this, 486 new Point-of-Sale (POS) machines were deployed, expanding our merchant acquiring network and promoting cashless transactions. Introduced new PoS terminal models E600 and E700 for Temple Solution through the service provider Pinelabs. Reduced existing rentals and MDR commercials of one of our PoS service providers M/s. Skilworth Technologies (BijliPay) through several negotiations and introduced 2 new terminal models, all in one PoS and QR sound box.

Integrated Payment Gateway for BVVS Kudumba Mitram Benevolent Society, Gurukulam School, Amrita School of Medicine and Amrita Vidyalayam Durgapur.

The reconciliation process for all major digital banking channels, including UPI, IMPS, DCRS, and IBOPS, was successfully managed during the review period. This involved ensuring complete accuracy, settlement, and verification of high-volume transactions across platforms. Around 22,000 Crore number of transactions were reconciled, reflecting the robustness of our systems, the efficiency of our operations team, and our commitment to maintaining seamless and error-free digital payment services for customers.

Credit Cards

To elevate customer convenience and enrich the overall banking experience, during the current fiscal, Bank unveiled 2 new credit card variants, i.e., Dhan Vriddhi (RuPay Platinum) and Dhan Samriddhi (RuPay Select), complementing the existing Dhan Namaste (VISA Platinum). Crafted to deliver seamless financial flexibility, these RuPay variants further enable credit card usage on UPI enhancing everyday digital payments. With curated benefits such as cashback on routine spends, airport lounge access, reward points, EMI options, and secure transactions, these cards empower customers with a refined and rewarding spending experience.

Information Security

In line with the Reserve Bank of India (RBI) Cyber Security Framework, the bank has implemented key security policies, including the Cyber Security Policy, Information Security Policy, Digital Payment Security Policy, Business Continuity Policy, IT Outsourcing Policy, and Cyber Crisis Management Plan. These policies are reviewed annually to ensure ongoing compliance with regulatory requirements.

Furthermore, we continue to enhance our cybersecurity resilience through regular participation in cybersecurity drills aimed at refining our incident response mechanisms. These drills are essential for testing the effectiveness of our preparedness and ensuring that our response to cyber incidents remains timely and efficient. Bank also have 24/7 SOC operations.

Certifications and Standards

Our commitment to maintaining the highest standards of

information security is reflected in our achievement of ISO/IEC 27001:2022 Certification for Information Security Management Systems (ISMS) as of April 2025. This certification underscores our alignment with global cybersecurity standards and reinforces our commitment to maintaining robust security measures. Additionally, the bank has been certified with PCI DSS (Payment Card Industry Data Security Standard), ensuring the protection of sensitive cardholder data, including credit and debit card numbers, expiration dates, and security codes. This certification provides assurance to our stakeholders regarding the security of their financial information.

Internal Audit

While the business continues to grow with the advent of emerging technology, evolving business models, dynamic regulatory environment, cyber security, data privacy and the changing needs of the customers, it is critical that a strong control framework is maintained across all functions of the Bank. Internal Audit function of the Bank plays a critical role in ensuring a strong control framework and provides vital assurance to Board and supervisors as to the quality of bank's internal control mechanism. Internal Audit also ensures prompt reporting of Internal control deficiencies and effectiveness of risk management functions.

The Reserve Bank of India has brought about continuous changes in the Internal Audit framework so as to align it with international practices and to build robust controls to enhance governance, regulation and supervision. Bank has meticulously implemented the directives of the regulator. Internal audit function of the Bank has sufficient authority, stature, independence, thereby enabling internal auditors to carry out their assignments with objectivity. Adequate training has been provided to all internal auditors and audit staff at premium training institute such as NIBM, IIBF etc.

During FY 2025-26, 176 Branches and 5 Business Units of the Bank were covered under Risk Based Internal Audit (RBIA). 61 Branches and 17 Business units were brought under concurrent audit coverage. Management audit of 21 departments and 8 Regional Offices, credit audits of eligible accounts and Sustenance audit of randomly selected branches were also conducted during the year. Surprise inspections were conducted in all the Branches with a frequency of once in a quarter. Currency chest inspections were conducted on a bi-monthly basis.

The Information System Audit wing of the Bank plays a major role in assessing/ensuring alignment of Bank's Digital ecosystem with regulatory norms and Bank's Information Security objectives and Information Technology Objectives. During the FY 2025-26, IS Audit was conducted for Data Centre, DR Site, Digital delivery channels, CBS and various critical IT applications. The SAR audit on Data localisation and various audits stipulated by Regulatory Authorities were conducted during the year. The officials of IS Audit wings were undergone periodic trainings to acquaint with the rapid changes in the technology, cyber security and regulatory environment.

Irregularities observed in the various audits are first reviewed by the Audit Committee of Executives (ACE). Significant audit findings are reviewed by the Audit Committee of Board (ACB). The Audit Committee of the Board provides directions and advises the audit team on corrective actions. ACB also reviews the adequacy of the internal audit function, including the reports and frequency of audits.

Vigilance Department

The Vigilance function of the Bank aims to achieve a high level of integrity in systems and procedures by creating awareness and fostering commitment and probity at all levels, thereby contributing to high standards of efficiency and professionalism. The Vigilance function is responsible for ensuring that public money is not misused by delinquent elements exploiting loopholes in systems and procedures.

The Bank has a well-defined and comprehensive Board-approved Vigilance Policy, which is reviewed annually by the Board. The Bank also has a Whistle Blower Policy aimed at conducting its affairs in a fair and transparent manner by adopting the highest standards of professionalism, honesty, integrity, and ethical behaviour. The Whistle Blower Policy provides a mechanism for employees and stakeholders to report instances of corruption, misuse of office, unethical behaviour, actual or suspected fraud, or violations of the Bank's Code of Conduct, including non-compliance with rules and regulations that may result in financial loss, operational risk, or reputational damage, thereby affecting depositors and public interest.

The Department is responsible for conducting investigations, wherever necessary, based on complaints or inputs received from whistleblowers. This is in addition to the Protected Disclosure Scheme framed in line with RBI directions. The Bank sensitizes its officials on the need for robust appraisal and effective credit monitoring mechanisms throughout the lifecycle of loan accounts, along with necessary precautions in day-to-day operations to mitigate fraud risk. Root Cause Analysis of reported frauds is conducted, and wherever system flaws or control weaknesses are identified, appropriate corrective measures are recommended.

Observance of Vigilance Awareness Week 2025

In connection with Vigilance Awareness Week 2025, the Bank initiated various activities to create awareness among staff members as well as the general public. The Bank observed the week by administering the Integrity Pledge to all staff members at the Head Office, Regional Offices, and branches. A handbook on preventive vigilance titled "VIGIL-2025" was also released and circulated among branches and controlling offices to guide staff and reinforce the importance of vigilance practices. A survey on preventive vigilance was also conducted, which was participated by most of the staff members.

A quiz competition on Knowledge Series and Fraud Prevention Mechanisms was organized on October 30, 2025, with enthusiastic staff participation. The valedictory function on the theme

"Vigilance: Our Shared Responsibility" was held at the Bank's Corporate Office, Thrissur on November 1, 2025. Shri V. Devaraj, Additional Superintendent of Police, CBI-ACB, Kochi, attended as Chief Guest. The quiz winners were felicitated during the event.

On the final day of Vigilance Awareness Week, a walkathon was successfully conducted on 02.11.2025 at Thrissur Swaraj Round. The event witnessed overwhelming participation from member banks, with more than 100 employees taking part. The walkathon focused on creating awareness about cyber frauds among the general public, with staff members carrying placards displaying various cyber fraud alerts.

LEGAL

Legal Department of the Bank inter-alia takes care of the following:

- ensure proper due diligence in documentation to augment the business of the Bank
- devise the ways and means to implement preventive legal measures in tune with the statutory provisions, regulatory prescriptions and judicial expositions
- minimize the legal risks in the decision-making process of the Bank and thus mitigating the legal and operational risks in a time bound manner.
- follow up all litigations filed by and against the Bank through appropriate steps and continuous monitoring till its logical conclusion

The Bank has its credit a well-defined Legal Policy, which defines and support the functions of the Legal Department of the Bank.

The Bank is having a well-structured and defined Manual on Documentation to suit the loan products, updated from time to time, in tune with the statutory and regulatory changes.

Legal Dept is capable of supporting the Bank to understand the legislative changes that may affect the operations and business.

KYC – "Know Your Customer" and AML – "Anti Money Laundering"

The Bank's Know Your Customer (KYC) and Anti-Money Laundering (AML) framework is aligned with the RBI Master Direction on KYC, the Prevention of Money Laundering Act (PMLA), 2002, and the PMLA Rules, as applicable. The framework is also guided by regulatory expectations and international standards aimed at combating money laundering, terrorist financing and other financial crimes.

The AML function plays a vital role in protecting the Bank and the financial system from misuse by ensuring customer due diligence, risk-based monitoring, identification of unusual transaction patterns, and timely escalation of suspicious activities. The Bank adopts a risk-based approach by considering the customer profile, the nature of the business, transaction behaviour, volume and frequency, and other relevant risk indicators.

The Bank has implemented an automated AML monitoring solution to identify potentially suspicious transactions based on defined scenarios, thresholds, and behavioural patterns. Alerts

generated through the system are reviewed by dedicated teams and escalated, wherever required, in accordance with internal policies and regulatory requirements. Periodic reviews, monitoring of high-risk accounts and reporting obligations are carried out to ensure continued compliance.

Through continuous strengthening of KYC and AML controls, transaction monitoring processes and regulatory reporting mechanisms, the Bank remains committed to preventing money laundering, terrorist financing and other financial crimes, while maintaining the integrity of the banking ecosystem.

Risk Management

Bank has adopted an integrated approach for the management of risk. The Bank's risk management functions are overseen by the Board of Directors and the Risk Management Committee of the Board (RMCB) at the Board level. At the executive level, Bank has Asset Liability Management Committee (ALCO), Credit Risk Management Committee (CRMC), Operational Risk Management Committee (ORMC) and Market Risk Management Committee (MRMC) for Risk Management.

Bank has framed comprehensive risk management policies to manage various types of risks like ICAAP (Internal Capital Adequacy Assessment Process) Policy, Credit Risk Management (CRM) Policy, Asset Liability Management Policy, Operational Risk Management Policy, Market Risk Management Policy and Integrated Risk Management Policy. The Stress testing Policy of the Bank was formulated to define different stress scenarios according to the RBI guidelines. The Bank has also developed various other risk Policies such as Stressed Industry Risk Management Policy, Fund Transfer Pricing Policy, Key Risk Indicator framework, Credit Pricing Policy and Risk Appetite Framework, etc., for better management of various Risk functions.

Credit Risk: The credit risk management aims at ensuring sustained growth of healthy credit portfolio. Exposure caps in terms of individual, group, industry/ sector and segment level are defined to control portfolio concentrations and to ensure a fairly diversified spread of credit portfolio. Bank has developed comprehensive risk rating system that serves as a single point indicator of diverse risk factors of counterparty and for taking credit decisions in a consistent manner. The Bank assesses the credit risk at the portfolio level as well as at the exposure or counterparty level. It has a robust credit risk management framework comprising of the three distinct building blocks namely Policy & Strategy, Organizational structure and Operations/ Systems.

Bank has a Board approved CRM Policy which deals with the various measures of Credit risks, goals to be achieved, current practices and future strategies.

The Credit Risk Management Committee of the Bank deals with issues relating to Credit Risk, which includes implementation of Rating models, monitoring of prudential limits on credit exposure, credit portfolio analysis, rating migration study, etc.

Market and Liquidity Risk: Market Risk is defined as the possibility of loss to a bank caused by changes in the market variables. Liquidity risk is the risk to a bank's earnings and capital arising from its inability to timely meet obligations when they come due without incurring unacceptable losses. The primary tool of monitoring liquidity is the mismatch/ gap analysis, which is monitored over successive time bands on a static basis. Moreover, the funds readily available as a back stop to meet contingency situations are measured and analyzed on a continuous basis.

Interest Rate Risk is another major risk involved in market risk. It is the risk of a bank which leads to financial loss due to adverse movement in interest rates. The immediate impact of changes in interest rates is on bank's earnings due to change in Net Interest Income (NII) and long-term impact of changing interest rates is on bank's market value of equity (MVE) or Networth as the economic value of bank's assets, liabilities and off-balance sheet positions get affected due to variation in market interest rates. The Bank measures the impact on Economic Value of Equity (EVE) on a monthly basis using Duration Gap Analysis. Bank uses VaR limits in the trading portfolios to determine the potential loss on a 10 day holding period basis with a 99% confidence level.

ALCO plays an important role in deciding the business strategy of the Bank in line with the Bank's budget, Corporate Goals and risk tolerance levels decided by the Board having regard to the Capital Adequacy and Regulatory prescriptions. Bank has also a Market Risk Management Committee which is responsible for ensuring /adhering to the market risk limits set by the Board and plays a major role in devising the market risk strategy of the Bank.

Operational Risk: Operational risk is the risk of loss resulting from inadequate or failed internal processes, people, systems or from external events. It is impacted by numerous factors such as internal business processes, regulatory landscape, business growth, customer preferences, and even factors external to the organization. It is highly dynamic in nature where new and emerging forces such as breakthrough technologies, data availability, new business models, interaction with third parties, etc., continuously create new demands on Operational Risk Management Framework. The Bank has a comprehensive policy on Operational Risk Management to ensure that all the operational risks within the Bank are identified, monitored and reported in a structured manner and delivery of critical functions is ensured in the event of any disruption by strengthening Operational Resilience. The Operational Risk Management Committee consisting of the Bank's senior management including MD & CEO is responsible for the implementation of the Operational risk policy/strategy approved by the Board.

Bank had rolled out the Risk and Control Self-Assessment (RCSA) to pro-actively identify emerging risks at operational level for devising mitigants at source itself and has been carrying out RCSAs in branches and other business functions. Collation of Loss Events is also being continued as a measure to move towards

The Basel III (new) Standardized Approach for capital calculation. Bank has also established a Key Risk Indicator Framework across the Bank which assists in identification, assessment, monitoring and mitigation of operational risk. Apart from these, in view of the emerging risks related to business continuity, interaction with business third parties, changing business models etc., Risk Assessments of various processes and products are carried out.

Fraud Risk Management (FRM):

I. Digital Payment Transactions Fraud Monitoring System

Bank has deployed Enterprise Fraud Risk Management (EFRM) Solution covering all the major Payment Channels, including ATM/ POS/ E-commerce (Debit Card & Credit Card), Internet Banking (RIB/ CIB), Mobile Banking, and UPI. The real-time monitoring mechanism, driven by predefined fraud detection and prevention scenarios, strengthens the security framework and enhances protection across the digital payment ecosystem. EFRM-generated alerts are verified with customers in real time to confirm the authenticity of transactions. If any transaction is found to be suspicious or fraudulent, necessary preventive actions, including blocking of the respective channel, are initiated immediately.

The Bank's Enterprise Fraud Risk Management (EFRM) solution underwent a significant upgradation during the year to enhance security, operational efficiency, and alignment with evolving technological standards. This includes the implementation of inline monitoring mechanisms across all Digital Payment Channels. The Bank has also initiated the adoption of AI/ ML-based capabilities to strengthen fraud detection through advanced machine learning models.

The Bank has introduced e-KYC authentication request monitoring within the EFRM framework through system integration, in compliance with the GRCP (Governance Risk Compliance Professional) Audit observation to detect fraudulent activities arising from e-KYC authentication requests.

II. Cyber Fraud Reporting and Grievance Mechanism

FRM Cell also act upon the Cyber Fraud complaints reported by our customers at our Bank, through various touch points such as Customer Care, Branches, etc., or through National Cyber Crime Reporting Portal (NCRP Portal by MHA). For such complaints reported through NCRP Portal, the money transfer details are immediately updated and escalated to the beneficiary Bank through the NCRP Portal. All the cyber complaints shall be analysed, after taking the detailed Root Cause Analysis (RCA), and escalating this to Reconciliation Team for the grievance redressal of the complaint.

III. Cyber Awareness Initiatives

The FRM Cell initiative titled "Cyber Watch," aligned with the Cyber Jagarookta Diwas programme of the Ministry of Home Affairs, under which cyber awareness content is disseminated through a periodic publication circulated on a weekly basis among employees and customers to enhance awareness on mitigating Cyber-enabled financial frauds. The initiative also supported the Reserve Bank of India's (RBI) mission "Har Payment Digital" by actively promoting key themes during the Digital Payments Awareness Week (DPAW) 2026, scheduled in March 2026, thereby reinforcing the Bank's commitment to strengthening cyber hygiene and ensuring safe digital payment practices.

Compliance

The compliance function is the guardian of the bank's rulebooks and the regulator. It protects the Bank from risks by ensuring the business remains within regulatory parameters.

The Bank's Compliance Policy strengthens the compliance function, enabling it to be adequately enabled, strengthened, and independent. The Policy reflects the Bank's commitment to maintaining high regulatory compliance standards. It is reviewed periodically to ensure continued relevance and effectiveness. We kept our policy updates in line with the regulators' guidelines as they are issued.

The Compliance Manual, which outlines the compliance functions of each unit in the Bank, serves as guidance for business units/offices. It is comprehensively updated to stay contemporary. The Bank has well-laid-out procedures and an online mechanism to monitor compliance. We have a compliance team available to oversee compliance functions at various levels. Compliance Officers have been nominated across all units to monitor compliance and develop a robust compliance culture in the Bank.

The Bank is educating employees through circulars, frequent contact sessions, e-learning, and online tests to build a strong/ dynamic compliance culture across the Bank. The Department serves as the focal point for regulators such as the RBI, SEBI, and IRDAI on compliance matters. The Compliance function has conducted training and workshops to build a compliance culture among employees working at all levels of business units and branches. The bank has automated regulatory compliance to track implementation across the Bank, proactively detect lapses, and quickly remediate them. To ensure we meet all regulatory requirements and maintain strong controls, the Department has strengthened monitoring and conducted compliance testing. In addition, thematic reviews and internal assessments have been conducted to further strengthen internal controls. The bank is automating regulatory reporting in phases, thereby avoiding manual submissions and improving data quality. The Bank has taken corrective steps regarding the monetary penalties imposed by the Reserve Bank of India during the financial year.

Human Resources

Human Capital Enhancement

During the reporting period, the Bank successfully onboarded resources, demonstrating our continued investment in talent acquisition and organizational capacity building. This recruitment drive aligns with our strategic objectives of enhancing service delivery capabilities and supporting business expansion across all operational verticals.

Training and Professional Development

Bank's commitment to continuous learning and professional excellence remained firm throughout FY 2025-26. Bank implemented a comprehensive training agenda that covered 168 specialized programs and successfully trained employees across various competency areas. Bank also has introduced Online Learning Platform (Learning Management System – LMS) and hosted various training modules to its employees.

Key Training Focus Areas

The Bank's training initiatives were strategically designed to address critical operational requirements and regulatory compliance standards. Our specialized training programs emphasized the following priority areas:

- Credit Management and Risk Assessment: Enhancing lending practices and credit evaluation capabilities
- Information Security and Cyber Security: Strengthening digital security protocols and threat mitigation strategies
- Regulatory Compliance: Ensuring adherence to evolving banking regulations and industry standards
- Preventive Vigilance: Building proactive risk management and fraud prevention capabilities

- Know Your Customer (KYC) and Anti-Money Laundering: Reinforcing customer due diligence and compliance frameworks to adhere the regulatory guidelines
- Trade Finance Operations: Developing expertise in international banking and trade facilitation
- Sales and Customer Relationship Management: Enhancing business development and customer service skills
- Regulatory Guidelines Implementation: Ensuring seamless adoption of new regulatory mandates and best practices.

Strategic Direction:

These initiatives speak to something deeper than training — they reflect the Bank's belief that excellence is cultivated, not assumed. A workforce that is empowered, well-prepared, and growth-oriented is our strongest asset in an ever-evolving banking landscape. Through sustained investment in our people, we deliver not just compliance and competence, but the kind of inspired service that earns lasting trust from every stakeholder we serve.

Corporate Social Responsibility

The Bank is grateful to the society for the support and encouragement in the Bank's growth and development. The Bank believes that no organization can make sustainable development without the patronage from the society. The Bank is committed in the integration of social and environmental concerns in its business operations and also in the interactions with its stakeholders. The Bank shall continue to have among its objectives, the promotion and growth of the national economy and shall continue to be mindful of its social and moral responsibilities to customers, shareholders, employees and society. The Bank's CSR mission is to contribute to the social and economic development of the community.

Report on Corporate Governance

(This Report is in terms of Regulation 34(3) read with part C of schedule V to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) and forms part of the Directors' Report dated August 19, 2026)

The Corporate Governance philosophy of the Bank places strong emphasis on transparency, accountability and integrity in all the business activities of the Bank. The objective is to uphold transparency and integrity in all its operations, thereby optimizing shareholder value. The Bank believes that its business plans and strategies should be consistent with the above objective leading to sustained growth and long-term benefit to all. During the financial year 2025-26, the following special resolution was passed through postal ballot:

1. Approval for appointment of Sri Ashutosh Khajuria (DIN :05154975) as Independent Director of the Bank

In compliance with the provisions of Section 108 and Section 110 and other applicable provisions of the Act read with the relevant Rules, for the postal ballot conducted during the FY 2025-26, the Bank had provided remote e-voting facility to all the Members. The Bank engaged the services of M/s. KFin Technologies Limited, Registrar and Share Transfer Agents (RTA) of the Bank for facilitating e-voting to enable the Members to cast their votes electronically. The Board of Directors had appointed Mr. V. Suresh, Senior Partner, M/s. V. Suresh Associates, Practising Company Secretaries (FCS 2969/ CP 6032), to act as the Scrutinizer for the Postal Ballot process.

The details of the postal ballot are as below:

Pursuant to the provisions of Section 110 of the Act read with Rule 22 of Companies (Management and Administration) Rules, 2014 (Management Rules), as amended, the Bank had issued Postal Ballot Notice dated May 09, 2025 to the Members, seeking their consent for a Special Resolution for the appointment Of Sri Ashutosh Khajuria (DIN: 05154975) as Independent Director of the Bank.

The voting period commenced on Sunday, May 18, 2025 at 9:00 AM (IST) and ended on Monday, June 16, 2025 at 5:00 PM (IST). The cut-off date for the purpose of determining the number of Members was Friday, May 09, 2025 and the total number of Members as on cut-off date was 186718.

On Monday, June 16, 2025 at 5:00 PM (IST) the votes cast by the Shareholders through e-voting were unblocked in the presence of two witnesses not in the employment of the Bank by the Scrutinizer. Thereafter, the Scrutinizer's Report on the postal ballot voting was submitted to the Chairperson through the Company Secretary on June 16, 2025. The results of the voting through Postal Ballot by remote e-voting were as follows:

(i) Voted in favour of the resolution:

Number of Members voted	Number of votes cast by them	% of total number of valid votes cast
431	15,86,10,414	99.98

(ii) Voted against the resolution:

Number of Members voted	Number of votes cast by them	% of total number of valid votes cast
42	24,954	0.02

(iii) Abstained votes:

Total number of abstained members	Number of votes
15	11,248

Accordingly, out of 15,86,35,368 valid votes cast through e-voting, 15,86,10,414 votes, constituting 99.98% of the votes polled, were cast assenting to the Special Resolution and 24,954 votes constituting 0.02% of the votes polled, were cast dissenting to the Special Resolution.

The special resolution set out in the said Postal Ballot Notice was therefore approved by the Members with requisite majority. The resolution was deemed to be passed on the last date specified for e-voting i.e., Monday, June 16, 2025.

The voting results were immediately placed to the Board of Directors of the Bank and disseminated to the Stock Exchanges and on the websites of the Bank as well as M/s. KFin Technologies Limited as per the regulatory provisions. The procedure undertaken for aforesaid postal ballot was in accordance with the applicable laws and regulations.

As on the date of this Report, there is no proposal before the Bank which may require the approval of Shareholders through Postal Ballot. The Bank may consider passing resolutions including special resolutions through Postal Ballot as and when required.

12. DISCLOSURES

(A) MD & CEO / CFO Certification

The Managing Director & CEO and the Chief Financial Officer have issued certificate pursuant to the provisions of Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 certifying that the financial statements do not contain any untrue statement and these statements represent a true and fair view of the Bank's affairs. The said certificate is annexed and forms part of the Annual Report.

(B) Related Party Transactions

The Bank has adopted the "Policy on materiality of related party transactions and dealing with related party transactions" in accordance with the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Policy is hosted on the website of the Bank at <https://www.dhan.bank.in/pdf/Policy-Materiality-Related-Party-Transactions-Dealing-Related-Party-Transactions-8.0.pdf>.

During the financial year, the Bank did not enter into any related party transactions with its Directors or Key Managerial Personnel or their Relatives that would potentially conflict with and/ or adversely affect the interests of the Bank. In accordance with the circular issued by Reserve Bank of India on "Disclosure in Financial Statements – 'Notes to Accounts' dated July1, 2015 – Para 4.5 Accounting Standard 18 – Related Party Disclosures", the remuneration paid to Managing Director & CEO and the Executive Director alone qualifies for classification as Related Party Transaction, for which the Bank has taken due approvals of the Reserve Bank of India and the Shareholders of the Bank. However, in accordance with the provisions of Regulation 23 (9) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the remuneration paid to Managing Director & CEO and the Executive Director does not fall within the purview of Related Party Transactions. Further, there was no related party transaction for which Form AOC-2 was applicable.

(C) Disclosure of Accounting Treatment

In the preparation of financial statements for the year ended March 31, 2026, there has been no treatment different from that prescribed in the Accounting Standard that is being followed in the preceding financial year ended March 31, 2025.

(D) Internal Control Systems

Insider Trading Code

The Bank has adopted a "Code of Conduct to Regulate, Monitor and Report Trading by Insiders" and "Code of practices and procedures of Unpublished Price sensitive Information" in accordance with the requirements of Securities and Exchange Board

of India (Prohibition of Insider Trading) Regulations, 2015, Securities and Exchange Board of India (Prohibition of Insider Trading) (Amendment) Regulations, 2018 and Companies Act, 2013 with a view to regulate trading in securities by the Directors and designated employees of the Bank. The Code requires pre-clearance for dealing in the Bank's shares beyond threshold limits. Further, it prohibits the purchase or sale of Bank shares by the Directors and the designated employees while in possession of unpublished price sensitive information in relation to the Bank and during the period when the Trading Window is closed. The Directors and designated employees of the Bank have affirmed compliance with the Codes. Independent Auditor's Report

To

The Members of Dhanlaxmi Bank Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Dhanlaxmi Bank Limited ("the Bank"), which comprise the Balance Sheet as at 31st March, 2026, the Profit and Loss Account, the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information in which are included the financial results for the year ended on that date of:

The Head Office, Treasury and top 20 branches audited by us and the remaining 246 branches/offices audited by the respective Statutory Branch Auditors appointed by the Bank for this purpose.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with the Principal Accounting Policies and Notes appended thereto give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 (the "Act") in the manner so required for banking companies and are in conformity with accounting principles generally accepted in India and give a true and fair view of the state of affairs of the Bank as at 31st March, 2026, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the year ended 31.03.2026. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the Key Audit Matters
1. Classification of Advances, Identification of Non-Performing Advances, Income Recognition and Provision on Advances	
Refer Note No. 4 of Schedule 18 to the financial statements relating to Asset Quality in respect of movement of Non-Performing Assets (NPAs) and related provisions.	Our audit approach included testing the design, operating effectiveness of internal controls and substantive audit procedures in respect of income recognition, asset classification and provisioning pertaining to advances.
Advances constitute a significant portion of the Bank's total assets. They are, inter alia, governed by income recognition, asset classification, and provisioning (IRAC) norms, as well as other circulars and directives issued by the RBI from time to time, which provide guidelines related to the classification of Advances into performing and non-performing Advances (NPA) and the recognition of provisions.	We have evaluated and understood the Bank's internal control system in adhering to the relevant RBI guidelines regarding income recognition, asset classification and provisioning pertaining to advances.
The identification of performing and non-performing advances involves the establishment of a proper mechanism, and the Bank is required to apply a significant degree of judgment to identify and determine the amount of provision required against each non-performing asset (NPA), applying both quantitative and qualitative factors prescribed by the regulations.	We evaluated the design, implementation and operating effectiveness of key internal controls over the valuation of securities for NPAs and Special Mention Accounts ('SMA').
	We checked the minutes of credit and business committee meetings and enquired with the credit and risk departments to ascertain if there were indicators of stress or an occurrence of an event of default in a loan account or any product.

Key Audit Matters	How our audit addressed the Key Audit Matters
The management of the bank relies on the CBS (Core Banking Solutions) along with other allied IT systems accompanied by various estimates, prudent judgement relating to performance of borrowers, determination of security value, manual interventions including services of experts & professionals for asset classification, Income recognition and provisioning thereon. Compliance of relevant prudential norms issued by the Reserve Bank of India (RBI) in respect of income recognition, asset classification and provisioning pertaining to advances is a key audit matter due to its high degree of complexity and materiality involved. Bank has significant exposure to a large number of borrowers across various sectors, products and industries and there is a high degree of complexity, uncertainty and judgment involved in recoverability of advances, nature of transactions, estimation of provisions thereon.	We have test checked advances to examine the validity of the recorded amounts, loan documentation, examined the statement of accounts, indicators of impairment, impairment provision for non-performing assets and compliance with income recognition, asset classification and provisioning pertaining to advances in terms of applicable RBI guidelines. We have reviewed the CBS and other related & allied systems for compliance with the prudential norms issued by Reserve Bank of India. We considered the Internal Audit, Systems Audit, Credit Audit and Concurrent Audit reports. We considered the RBI Annual Financial Inspection report on the Bank, the bank's response to the observations and other communication with RBI during the year.
2. Valuation of Investments, Identification of and provisioning for Non-Performing Investments.	
Refer Note No. 3 of Schedule 18 to the financial statements with respect to Investments and related Provisions. Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, non-recognition of income and provisioning against non-performing investments. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter. Accordingly, our audit was focused on valuation of investments, classification, identification of nonperforming investments and provisioning related to investments.	Our audit approach included testing the design, operating effectiveness of internal controls and substantive audit procedures in respect of valuation, classification, identification of non-performing investments (NPIs) and provisioning/depreciation related to Investments. We tested the accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of the security on sample basis. We assessed and evaluated the process adopted for collection of information from various sources for determining market value of the investments. We carried out substantive audit procedures to recompute independently the provision to be maintained in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs; We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions. We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision.

Other Matters

We did not audit the financial statements of 246 branches and processing centres included in the financial statements of the Bank whose financial statements reflect total assets of ₹11933.86 Crore as at 31st March 2026 and total revenue of ₹1020.02 Crore for the year ended on that date, as considered in the financial statements. These branches and processing centres cover 73.49%

of gross advances, 84.25% of deposits and 68.26% of non-performing assets as at 31st March 2026 and 56.86% of revenue for the year ended 31st March 2026. The financial statements of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based solely on the report of such branch auditors.

Our opinion is not modified in respect of the above matter.

Information other than the Financial Statements and Auditor's Report thereon

The Bank's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Bank's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Bank's annual report, if we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charged with governance for the Financial Statements

The Bank's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder, in so far as they apply to the Bank and provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ('RBI') from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Directors either

intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Management and Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the financial statements that, individually or aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter

should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 and Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder.

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
- c) The reports on the accounts of the branch offices of the Bank audited by branch auditors under Section 143(8) of the Act have been forwarded to us and have been properly dealt with by us in preparing this report;
- d) The Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the branches not visited by us;
- e) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder, to the extent they are not inconsistent with the accounting policies prescribed by RBI;
- f) On the basis of written representations received from the directors as on 31 March, 2026 and taken on record by the Board of Directors, none of the directors are disqualified as on 31 March, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
- g) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Bank and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report;
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended;

The Bank is a Banking Company as defined under Banking Regulation Act, 1949. Accordingly, the requirements prescribed under Section 197 of Act do not apply;

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us;
- i) The Bank has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Schedule 12 and Note No. 16(d) of Schedule 18 to the financial statements;

- ii) The Bank has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note No 16(f) of Schedule 18 to the financial statements;
- iii) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Bank.
- iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Bank to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Bank from any person or entity, including foreign entity ("Funding Parties"),

with the understanding, whether recorded in writing or otherwise, that the Bank shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The bank has not declared or paid any dividend during the year and hence the compliance of Section 123 of the Act is not applicable.
- vi) Based on our examination which included test checks, the Bank has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Bank as per the statutory requirements for record retention.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in Paragraph 2(g) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date) Independent Auditor's Report on the Internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of Dhanlaxmi Bank Limited ("the Bank") as of 31 March, 2026 in conjunction with our audit of the financial statements of the Bank for the year ended on that date.

In our opinion, the Bank has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2026, based on the internal control with reference to financial statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Bank's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls with reference to financial statements.

Meaning of Internal financial controls with reference to financial statements

A bank's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A bank's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the bank are being made only in accordance with authorizations of management and Directors of the bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

All interest expenses relating to deposits accepted and borrowings are recognized on accrual basis. Pursuant to RBI guidelines, the interest payable on overdue term deposit is provided on accrual basis at simple rate of interest as applicable to savings account or contracted rate of interest on the matured TD, whichever is lower from 09.07.2021.

Brokerage, Commission, Securities Transaction Tax etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost. Broken period interest paid/ received on debt instruments is treated as interest expense/ income and is excluded from cost/ sale consideration.

B) Employee benefits

a) Provident Fund:

The contribution made by the bank to Dhanlaxmi Bank Ltd Employees Provident Fund, administered by the trustees is charged to Profit & Loss account. Provident Fund is a Defined Contribution Plan in which both the employee and the Bank contribute monthly at a pre-determined rate. Employers' contribution to provident fund is recognized as expense as and when the services are rendered. The Bank has no liability for future provident fund benefits other than its annual contribution.

b) Pension Fund

The contribution towards Dhanlaxmi Bank Ltd Employees' Pension Fund, managed by trustees, is determined on actuarial basis on projected unit credit method as on the Balance Sheet date and is recognized in the accounts. The actuarial gain or loss arising during the year is recognized in the Profit and Loss Account.

c) National Pension System (NPS)

Employees who had joined the services of the Bank with effect from April 01, 2010 are covered under Defined Contributory Pension Scheme (DCPS). In respect of such employees the bank contributes 14% of the Basic Pay plus Dearness Allowance and the expenditure thereof is charged to Profit and Loss account and the Bank has no further liability beyond the contribution to the fund on this account.

d) Gratuity:

The Bank makes annual contribution to Dhanlaxmi Bank Ltd Employees' Gratuity Trust Fund administered and managed by the trustees. The cost of providing such benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in the Profit and

Loss Account in the period in which they occur. The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

e) Compensation for absence on account of Privilege/ Sick Leave

The employees of the Bank are entitled to compensated absence on account of privilege/ sick leave as per the leave rules. The bank measures the long term expected cost of compensated absence as a result of the unused entitlement that has accumulated at the balance sheet date based on actuarial valuation and such costs are recognized in the accounts.

f) Other Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employee is recognized during the period when the employee renders the service.

g) Employee Stock Compensation Cost

Measurement and accounting of employee share-based payment plans will be done in accordance with the Guidance Note on Accounting for Employee Share-based Payments issued by ICAI; SEBI (Share Based Employee Benefits) Regulations, 2014 and RBI guidelines in this regard. The share linked payments will also be governed by Bank's Scheme for Employee Stock Option Plan, once approved and implemented.

Other Operating Expenses:

Other operating expenses are generally accounted on accrual basis. In the case of rent, where rent agreement is expired, rent is accounted on the basis of expired agreement till the new rent agreement is signed.

III. Net profit

Net Profit is arrived at after provisions for contingencies, which inter alia, include provision for Standard Assets, Restructured Advances and NPAs and NPIs; Fraud and unhedged foreign currency exposure and Taxation in accordance with statutory requirements. The provision for NPA include write off of bad debts also.

IV. Advances

A) Valuation/ Measurement

- a) Advances are classified into performing assets (Standard) and non-performing assets ('NPAs') as per the RBI guidelines and are stated net of specific provisions made towards NPAs, sacrifice provisions on restructured advances and unrealized interest on NPAs. Interest on NPAs is transferred to an unrealized interest account and not recognized in profit and loss account until received. Further, NPAs are classified into substandard, doubtful and loss assets based on the criteria stipulated by the RBI. Provision for NPAs is made in accordance with the prudential norms prescribed by the RBI. In addition, the Bank makes higher provisions, wherever considered necessary, based on management's assessment of the degree of recoverability, collateral value, and other relevant risk factors, particularly in respect of unsecured and stressed exposures.
- b) Amounts recovered against debts written off are recognized in the profit and loss account and included under "Other Income". The recovery of unrealized interest is accounted under "Interest on Loans & Advances" in the profit and loss account.
- c) For restructured/rescheduled assets, provision is made in accordance with the guidelines issued by the RBI, which requires the diminution in the fair value of the assets to be provided at the time of restructuring. In respect of loans and advances accounts subjected to restructuring, the account is upgraded to standard only after the specified period i.e., a period of one year after the date when first payment of interest or of principal, whichever is later, falls due, subject to satisfactory performance of the account during the period. The provision for diminution in fair value and interest sacrifice, if any relating to NPA accounts, arising out of the above, is reduced from advances.
- d) For entities with Un-hedged Foreign Currency Exposure (UFCE), provision is made in accordance with the guidelines issued by RBI, which requires to ascertain the amount of UFCE, estimate the extent of likely loss and estimate the riskiness of un-hedged position. The Provision is classified under Schedule 5 – Other Liabilities in the Balance Sheet.
- e) The Bank maintains general provision for standard assets including credit exposures computed as per the current marked-to-market values of foreign exchange derivative contracts, in accordance with the guidelines and at levels stipulated by RBI from time to time. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- f) Bank makes additional provision on project finance, relevant restructuring schemes announced by RBI, borrowers classified as fraud, etc., as per RBI norms.

- g) Loss on sale of assets to Asset Reconstruction Companies: RBI issued Master Direction- Reserve Bank of India (Transfer of Loan Exposures) Directions, 2021 on September 24, 2021. In accordance with these guidelines, when the stressed loan is transferred to ARC at a price below the Net Book Value (NBV) at the time of transfer, lenders shall debit the shortfall to the profit and loss account for the year in which the transfer has taken place. When the stressed loan is transferred to an ARC for a value higher than the NBV at the time of transfer, the excess provision on transfer is written back to the profit and loss account in the year the amounts are received and only when the sum of cash received by way of initial consideration and / or redemption or transfer of Security Receipts (SRs) / Pass Through Certificates / other securities issued by ARCs is higher than the NBV of the loan at the time of transfer. Further, such reversal shall be limited to the extent to which cash received exceeds the NBV of the loan at the time of transfer. In case, SRs guaranteed by the Government of India are received as a part of sale consideration, the excess provision to the extent of Face Value of Security Receipts guaranteed by Government of India is written back in the year of transfer/sale.

B) Recording/ Presentation

Provisions created against individual accounts as per RBI guidelines are not netted in the individual account. For presentation in financial statements, provision created for NPA is netted against gross amount of advance without adjusting the same at individual account level. Provision held against an individual account is adjusted against individual account's balance only at the time of write off of the account.

V. Floating Provisions

The bank shall maintain floating provisions as per the guidelines outlined in Recovery Policy. The floating provisions are utilized only for contingencies under extraordinary circumstances specified in the policy after obtaining the approval of Board of Directors of the Bank and with prior permission of Reserve Bank of India.

VI. Country Risk

In addition to the provisions required to be held according to the asset classification status, provisions are held for individual country exposure (other than for home country). The countries are categorized into seven risk categories namely, insignificant, low, moderate, high, very high, restricted and off-credit as per Export Credit Guarantee Corporation of India Limited guidelines and provision is made on exposures exceeding 180 days on a graded scale ranging from 0.25% to 100%. For exposures with contractual maturity of less than 180 days, 25% of the normal provision requirement is held. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country. The provision is reflected in Schedule -5 of the Balance Sheet under "Other liabilities and Provisions- Others".

VII. Investments

i) Classification

In accordance with the RBI guidelines, the separation of the total investment portfolio is made on the basis of investment objectives and by type of investment. When the investment objectives are taken into consideration, Investments are classified as:

- a. Held to Maturity (HTM)
- b. Available for Sale (AFS)
- c. Fair Value Through Profit & Loss (FVPTL) with a sub-category named Held for Trading (HFT).

The category of the investment should be recorded at the time of acquisition itself.

The Bank shall continue to present the investments in the Balance Sheet as set out in The Third Schedule to the BR Act (Form A, Schedule 8 - Investments) as under:

- i) Government securities; (ii) Other approved securities; (iii) Shares; (iv) Debentures & Bonds; (v) Subsidiaries and / or joint ventures and (vi) Others (to be specified)

a) Held To Maturity

Securities that fulfil the following conditions shall be classified under HTM:

- (i) The security is acquired with the intention and objective of holding it to maturity, i.e., the financial assets are held with an objective to collect the contractual cash flows; and
- (ii) the contractual terms of the security give rise to cash flows that are solely payments of principal and interest on principal outstanding ('SPPI criterion') on specified dates.

b) AFS

Securities that meet the following conditions shall be classified under AFS:

- (i) The security is acquired with an objective that is achieved by both collecting contractual cash flows and selling securities; and

- (iii) The contractual terms of the security give rise to cash flows that are solely payments of principal and interest on principal outstanding on specified dates.

c) FVTPL

Securities that do not qualify for inclusion in HTM or AFS are classified under FVTPL with a subcategory named HFT. Any instrument that is held for one or more of the following purposes is designated as a HFT instrument: a. short-term resale; b. profiting from short-term price movements; c. locking in arbitrage profits; or d. hedging risks that arise from instruments meeting (a), (b) or (c) above.

ii) Initial recognition

All investments shall be measured at fair value on initial recognition. Unless facts and circumstances suggest that the fair value is materially different from the acquisition cost, it shall be presumed that the acquisition cost is the fair value.

iii) Subsequent Measurement

HTM

- a) Securities held in HTM shall be carried at cost and shall not be marked to market (MTM) after initial recognition. However, they shall be subject to income recognition, asset classification and provisioning norms.
- b) Any discount or premium on the securities under HTM shall be amortized over the remaining life of the instrument. The amortized amount shall be reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'

AFS

- a) The securities held in AFS shall be fair valued at least on a quarterly basis, if not more frequently. Any discount or premium on the acquisition of debt securities under AFS shall be amortized over the remaining life of the instrument. The amortized amount shall be reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.
- b) The valuation gains and losses across all performing investments, irrespective of classification (i.e., Government securities, Other approved securities, Bonds and Debentures, etc.), held under AFS shall be aggregated. The net appreciation or depreciation shall be directly credited or debited to a reserve named AFS Reserve without routing through the Profit & Loss Account.
- c) Upon sale or maturity of a debt instrument in AFS category, the accumulated gain/ loss for that security in the AFS-Reserve shall be transferred from the AFS Reserve and recognized in the Profit and Loss Account under item II Profit on sale of investments under Schedule 14-Other Income.
- d) In the case of equity instruments designated under AFS at the time of initial recognition, any gain or loss on sale of such investments shall be transferred from AFS-Reserve to the Capital Reserve.

FVTPL

- (a) The securities held in FVTPL shall be fair valued and the net gain or loss arising on such valuation shall be directly credited or debited to the Profit and Loss Account. Securities that are classified under the HFT sub-category within FVTPL shall be fair valued on a daily basis, whereas other securities in FVTPL shall be fair valued at least on a quarterly, if not on a more frequent basis.
- (b) Any discount or premium on the acquisition of debt securities under FVTPL shall be amortized over the remaining life of the instrument. The amortized amount shall be reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.
- c) Securities under FVTPL shall be subject to income recognition, asset classification and provisioning norms.

iv) Reclassifications between categories

Re-classification would be permitted only under exceptional circumstances. Such re-classification would require a prior approval of the Board of Directors and the Department of supervision of RBI. Re-classification should be applied prospectively from the re-classification date and the details of such reclassification (including the re-classification adjustments) shall be disclosed in the notes to the financial statements.

Accounting treatment on re -classification (Para 5.3 of Treasury Management Policy)

From HTM to AFS

- The fair value measured at the re-classification date shall be the revised carrying value
- Any gain or loss arising from a difference between the revised carrying value and the previous carrying value shall be recognized in AFS -Reserve

From HTM to FVTPL

- The fair value measured at the re-classification date shall be the revised carrying value
- Any gain or loss arising from a difference between the revised carrying value and the previous carrying value of the

investments shall be recognized in the Profit and Loss account under item III: 'Profit on revaluation of investments' under Schedule 14: 'Other Income'

From AFS to HTM

- The investments are re-classified at its fair value at the reclassification date. However, the cumulative gain / loss previously recognized in the AFS - Reserve shall be withdrawn therefrom and adjusted against the fair value of the investments at the reclassification date to arrive at the revised carrying value. Thus, the revised carrying value shall be the same as if the bank had classified the investment in HTM ab initio itself.

From AFS to FVTPL

- The investments shall continue to be measured at fair value. The cumulative gain or loss previously recognized in AFS -Reserve shall be withdrawn therefrom and recognized in the Profit and Loss Account, under item III: 'Profit on revaluation of investments' under Schedule 14: 'Other Income'.

From FVTPL to HTM or AFS

- The carrying amount representing the fair value at the reclassification date remains unchanged

v) Sale of investments from HTM

Any profit or loss on the sale of investments in HTM shall be recognized in the Profit and Loss Account under Item II of Schedule 14: 'Other Income'. The profit on sale of an investment in HTM shall be appropriated below the line from the Profit and Loss Account to the 'Capital Reserve Account'. The amount so appropriated shall be net of taxes and the amount required to be transferred to Statutory Reserve.

vi) Valuation of Investments (Para 5.4 of Treasury Management Policy)

The fair value for the purpose of initial recognition and periodical valuation of investments shall be determined as per the valuation norms.

Quoted Securities

The fair value for the quoted securities shall be the prices declared by the Financial Benchmarks India Private Ltd. (FBIL) in accordance with the RBI circular FMRD.DIRD.7/14.03.025/2017-18 dtd March 31, 2018, as amended from time to time. For securities whose prices are not published by FBIL, the fair value of the quoted security shall be based upon quoted price as available from trades / quotes on recognized stock exchanges, reporting platforms or trading platforms authorized by RBI / SEBI or prices declared by the Fixed Income Money Market and Derivatives Association of India (FIMMDA).

a. Unquoted SLR Securities

- Treasury Bills shall be valued at carrying cost.
- Unquoted Central / State Government securities shall be valued on the basis of the prices / YTM rates published by the FBIL.
- Other approved securities shall be valued applying the YTM method by marking them up by 25 basis points above the yields of the Central Government securities of equivalent maturity put out by FBIL.

b. Unquoted Non-SLR securities

i) Unquoted debentures and bonds

- Valued by applying the appropriate mark -up over the YTM rates for Central Government Securities as put out by FBIL / FIMMDA subject to the following:

The mark-up applied shall be determined based on the ratings assigned to the debenture / bonds by the credit rating agencies and shall be subject to the following:

- The mark up shall be at least 50 basis points above the rate applicable to a Central Government security of equivalent maturity for rated debentures / bonds.
- The mark-up for unrated debentures or bonds shall not be less than the mark-up applicable to rated debentures or bonds of equivalent maturity.

Provided that the mark -up for the unrated debentures or bonds should appropriately reflect the credit risk borne by the bank.

- Where the debentures / bonds are quoted and there have been transactions within 15 days prior to the valuation date, the value adopted shall not be higher than the rate at which the transaction has been recorded on the Exchanges / trading platforms / reporting platforms authorized by RBI / SEBI
- Ujjwal DISCOM Assurance Yojana (UDAY) bonds and bonds issued by state distribution companies (DISCOMs) under financial restructuring plan.
 - UDAY bonds shall be valued on basis of prices / yields published by FBIL.

- ii) State Government guaranteed bonds issued and serviced by DISCOM shall be valued by applying a mark -up of 75 basis points on YTM rates for Central Government Securities of equivalent maturities as published by FBIL.
- iii) other bonds issued and serviced by DISCOMs shall be valued by applying a mark-up of 100 basis points on YTM rates for Central Government Securities of equivalent maturities as published by FBIL.
- iv) Bonds issued and serviced by the State Government shall be valued by applying a mark-up of 50 basis points on YTM rates for Central Government Securities of equivalent maturities as published by FBIL.
- d) Special securities, which are directly issued by Government of India, and which do not carry SLR status shall be valued at a spread of 25 basis points above the corresponding yield on Central Government securities of equivalent maturity.
- e) Zero Coupon Bonds (ZCBs): In the absence of market value, the ZCBs shall be marked to market with reference to the present value of the ZCB. The fair value so determined should be compared with the carrying cost to determine valuation gain or loss.

ii) Preference shares

- a) When a preference share has been traded on exchange within 15 days prior to the valuation date, the value shall not be higher than the price at which the share was traded.
- b) The valuation of unquoted preference shares shall be done on YTM basis with appropriate mark-up over the YTM rates for Central Government Securities of equivalent maturity put out by the FBIL subject to such preference share not being valued above its redemption value. The mark -up shall be graded according to the rating assigned to the preference shares by the rating agencies and shall be subject to the following:
 - i. The mark-up cannot be negative. i.e., the YTM rate shall not be lower than the coupon rate / YTM for a Central Government India security of equivalent maturity.
 - ii. The rate used for the YTM for unrated preference shares shall not be less than the rate applicable to rated preference shares of equivalent maturity and shall appropriately reflect the credit risk borne by the bank.
 - iii. Where the investment in preference shares is made as part of a resolution, the mark-up shall not be lower than 1.5 percentage points.
- c) Where preference dividends / coupons are in arrears, no credit should be taken for accrued dividends / coupons and the value determined as above on YTM basis should be discounted further by at least 15 per cent if arrears are for one year, 25 per cent if arrears are for two years, so on and so forth (i.e., with 10 per cent increments). The overarching principle should be that valuation shall be based on conservative assessment of cash flows with appropriate discount rates to reflect the risk.
- d) Investments in preference shares as part of the project finance shall be valued at par for a period of two years after commencement of production or five years after subscription whichever is earlier.

iii) Equity Shares

Equity shares for which current quotations are not available i.e., which are classified as illiquid or which are not listed on a recognized exchange, the fair value shall be the break-up value (without considering 'revaluation reserves', if any) which is to be ascertained from the company's latest audited balance sheet. The date as on which the latest balance sheet is drawn up shall not precede the date of valuation by more than 18 months. In case the latest audited balance sheet is not available or is more than 18 months old, the shares shall be valued at ₹1 per company. Before Half an hour average (BHAV) price on the BSE and in absence of trading in BSE, BHAV price of NSE for the day / previous trading day shall be taken for valuation of equity and if BSE/NSE quotes are not available, quotes of other exchange /s may be taken. Equity shares for which current quotations are not available or where the shares are not quoted on the stock exchanges should be valued at break-up value which is to be ascertained from the company's latest balance sheet (which should not be more than 18 months prior to the date of valuation). In case the latest balance sheet is not available the shares are to be valued at Re.1 per company.

iv) Mutual Funds Unit (MF Units)

- a) Investment in unquoted MF units shall be valued on the basis of the latest re-purchase price declared by the MF in respect of each scheme.
- b) In case of funds with lock -in period or any other Mutual fund, where repurchase price / market quote is not available, units shall be valued at Net Asset Value (NAV) of the scheme. If NAV is not available, these shall be valued at cost, till the end of the lock -in-period.

v) Commercial Paper

Commercial paper shall be valued at the carrying cost.

vi) Investment in Security Receipts (SRs) and other instruments issued by an Asset Reconstruction Company (ARC)

In respect of investments in SRs and other instruments issued by ARCs, the requirements as per the Transfer of Loan Exposures Directions, 2021, as amended from time to time, should be followed.

vii) Non-Performing Investments (NPI) (Para 8 of Treasury Management Policy)

The criterion used to classify an asset as Non-Performing Asset (NPA) as per the extant Prudential Norms on Income Recognition, Asset Classification and Provisioning (IRACP) pertaining to Advances shall be used to classify an investment as a Non-Performing Investment (NPI). Similarly, an NPI shall only be upgraded to standard when it meets the criteria specified in the IRACP norms.

viii) Repurchase (REPO) and Reverse Repurchase (Reverse REPO) transactions

The securities sold and purchased under Repo/ Reverse Repo (including transactions conducted under Liquidity Adjustment Facility (LAF) and Marginal Standing Facility (MSF) with RBI) are accounted as collateralized lending and borrowing transactions. However, securities are transferred as in the case of normal outright sale/ purchase transactions and such movement of securities is reflected using the Repo/Reverse Repo Accounts and Contra entries. The above entries are reversed on the date of maturity. Costs and revenues are accounted as interest expenditure/ income, as the case may be. Balance in Repo Account is classified under Schedule 4 (Borrowings).

All type of reverse repos with the Reserve Bank including those under Liquidity Adjustment Facility shall be presented under sub-item (ii) 'In Other Accounts' of item (II) 'Balances with Reserve Bank of India' under Schedule 6 'Cash and balances with Reserve Bank of India'. Reverse repos with banks and other institutions having original tenors up to and inclusive of 14 days shall be classified under item (ii) 'Money at call and short notice' under Schedule 7 'Balances with banks and money at call and short notice'. Reverse Repo of original tenors more than 14 days shall be classified under Schedule 9 – Advances.

ix) Short Sales

The Bank undertakes short sale transactions in Central Government dated securities in accordance with RBI guidelines. The short position is reflected as the amount received on sale and is classified under 'Other Liabilities'. The short position is marked to market and resultant mark-to-market gain/losses are accounted for as per the relevant RBI guidelines for valuation of investments.

VIII. Fixed Assets

- An item of Fixed Assets that qualify for recognition as an asset are initially recognized and measured at cost.
- After initial recognition, the Bank follows the Revaluation Model for Land and Buildings and the Cost model for other fixed assets.
- Fixed Assets following 'Cost Model' are carried at Cost less any accumulated depreciation/ amortization and any accumulated impairment losses if any.
- Fixed Assets following 'Revaluation Model' are carried at Revalued Amount, being the fair value at the date of revaluation less any subsequent accumulated depreciation/ amortization and any accumulated impairment losses.
- Revaluations of Land and Buildings are performed once in three years to ensure that the carrying amount does not differ materially from that which would be determined using fair value.
- An increase in the carrying amount of Land and Buildings arising on revaluation is credited to owners' interest under "Revaluation Reserve". However, the increase is recognized in the statement of profit and loss to the extent that it reverses a decrease in the revaluation of same asset previously recognized in the profit and loss account. A decrease in the carrying amount of an item of an asset arising on revaluation is charged to the statement of profit and loss. However, the decrease is debited directly to owners' interest under the heading "Revaluation Surplus" to the extent of any credit balance existing in the Revaluation Reserve in respect of that asset.
- Revaluation Surplus included in owners' interest in respect of Land and Buildings is transferred to "Revenue Reserves" when the asset is retired or disposed of. The difference between the depreciation based on the revalued carrying amount and the depreciation based on original cost is also transferred to "Revenue Reserves" from "Revaluation Reserve". However, such transfers from "Revaluation Reserve" to "Revenue Reserve" are not made through the statement of profit or loss.
- Cost of an item of Fixed Assets includes a) purchase price, including freight, duties and taxes and incidental expenses, after deducting trade discounts and rebates.; (b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management viz. cost of employee benefits

(as defined in AS-15 'Employee Benefits') arising directly from the construction or acquisition of the item of Fixed Assets, cost of site preparation, initial delivery and handling costs, installation and assembly costs, professional fees, cost of testing whether the asset is functioning properly; (c) Taxes like GST paid on fixed assets (GST portion on which ITC was not availed). (d) the initial estimate of the cost of dismantling, removing the item and restoring the site on which it is located, referred to as 'decommissioning, restoration and similar liabilities'

- Items costing less than ₹ 1,000 each are charged off in the year of purchase.
- Subsequent expenditure incurred on assets put to use is capitalized only when it increases the future economic benefit/ functional capability from/ of such assets.
- Depreciation on fixed assets is charged on a pro rata basis on a straight-line method on the estimated useful life of the asset in compliance with the Schedule II of the Companies Act, 2013. The residual value is considered as Nil. Depreciable amount of an asset is allocated on a systematic basis over the useful life of the asset.
- If expectations differ from previous estimates with respect to residual value, if any and useful life of the asset, such changes are accounted for as a change in accounting estimate in accordance with "AS-5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies".
- Method of depreciation used is assessed and reviewed at each financial year end and if there is a significant change in the pattern of consumption of the future economic benefits embodied in the asset, the method of depreciation is changed to reflect the changed pattern and such a change is accounted for and disclosed as a change in Accounting Estimate in accordance with "AS-5" Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies".
- Amount expended towards acquisition of Software is capitalized where it is reasonably estimated that the software has an enduring useful life. Software is amortized over an estimated useful life of 3 to 5 years on straight-line basis.
- Grant related to Specific Fixed Assets – Grant received from the Government/ other agencies related to depreciable assets are treated as deferred income which is recognized in the profit and loss statement on a systematic and rational basis over the useful life of the asset.
- Capital Work in Progress includes cost of fixed assets that are not ready for their intended use and includes advance paid to vendors to acquire the fixed assets.
- The fixed assets are depreciated at straight-line method based on useful life of the assets stated as under:

S.No.	Description of Fixed Assets	Useful life for Depreciation
1	Computer Software	3 to 5 Years
2	Server	6 years
3	Computer Hardware- desktops, laptops etc.	3 years
4	Electrical installations and equipment	10 years
5	Furniture and Fittings	10 years
6	Premises (Buildings)	60 years
7	Motor Vehicles	8 years

IX. Non-Banking Assets

Non-Banking Assets acquired in settlement of debts/dues are accounted at the lower of their cost or net realizable value.

X. Cash and Cash Equivalents

Cash and Cash Equivalents include cash in hand, balances with RBI and Balances with other banks/ institutions and money at call and short notice (including effects of changes in exchange rates on cash and cash equivalents in foreign currency). Cash flow statement is prepared under the indirect method.

XI. Transactions involving foreign exchange

- 1 Foreign Currency transactions are recorded on initial recognition in the reporting currency by applying the foreign currency amount, the exchange rate/notional rate whichever is applicable between the reporting currency and the foreign currency on the date of the transaction.
- 2 Foreign Currency Monetary items at balance sheet date are reported using the Foreign Exchange Dealers Association of India (FEDAI) monthly closing (spot/forward) rates.
- 3 Foreign Currency Non-Monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- 4 Contingent Liabilities denominated in foreign currency are revalued using the exchange rate notified by FEDAI at the balance sheet date.

- 5 Outstanding foreign exchange spot and forward contracts held for trading at balance sheet date are revalued at the exchange rate notified by FEDAI for specified maturities and the resulting profit or loss is recognized in the statement of profit and loss.
- 6 Foreign Exchange forward contracts which are not intended for trading and are outstanding on the Balance sheet date, are revalued at FEDAI monthly closing spot/ forward rate.
- 7 For Investment Swap, the premium or discount arising at the inception of such contracts is amortized as expense or income over the life of the contract.
- 8 Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognized as income or as expense in the period in which they arise.
9. Gains/Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognized in the statement of profit and loss.

XII. Derivative Transactions

The Bank recognizes all derivative contracts at fair value, on the date on which the derivative contracts are entered into and are measured at fair value as at the Balance Sheet or reporting dates. Derivatives are classified as assets when the fair value is positive (positive marked-to-market) or as liabilities when the fair value is negative (negative marked-to-market). Changes in the fair value of derivatives other than those designated as hedges are recognized in the Profit and Loss Account.

XIII. Segment Information

The disclosure relating to segment information is in accordance with the guidelines issued by RBI. The disclosure relating to segment information is in accordance with Accounting Standard 17 - "Segment Reporting" and as per RBI Master Direction on Financial Statements-Presentation and Disclosures ,2025. As per the Master Direction, the reportable segments are identified as 'Treasury', 'Corporate / Wholesale Banking', 'Retail Banking' and 'Other banking operations.

- Treasury' includes the entire investment portfolio of the Bank.
- Retail Banking include exposures which fulfil the four criteria of orientation, product, granularity, and low value of individual exposures for retail exposures laid down in Master Directions on Basel III Capital Regulations. Individual housing loans also form part of Retail Banking segment. Further, 'Digital Banking' has been identified as a sub-segment of the existing 'Retail Banking' segment as per RBI guidelines.
- Corporate / Wholesale Banking include all advances to trusts, partnership firms, companies, and statutory bodies, which are not included under 'Retail Banking'.
- Other Banking Business includes all other banking operations not covered under 'Treasury, 'Wholesale Banking' and 'Retail Banking' segments. It also includes all other residual operations such as para banking transactions / activities.

XIV. Earnings per Share

The Bank reports basic and diluted earnings per share in accordance with AS 20, Earnings per Share, as prescribed under Section 133 of the Companies Act, 2013. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the year. Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share are computed using the weighted average number of equity shares and weighted average dilutive potential equity shares during the period.

XV. Operating Lease

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Lease payments for assets taken on operating lease are recognized as an expense in the Profit and Loss Account as per the lease terms.

XVI. Impairment of Assets

The carrying values of assets at each balance sheet date are reviewed for impairment, if any indication of impairment exists. If the carrying amount of the assets exceeds the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Profit and Loss Account, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a reduction in revaluation to the extent a revaluation reserve is available for that asset. When there is indication that an impairment loss recognized for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Profit and Loss Account, to the extent the amount was previously charged to the Profit and Loss Account. In case of revalued assets such reversal is not recognized. Impairment of an item of Fixed Assets is determined by applying the Accounting Standard 28. Compensation from third parties for items of Fixed Assets that were impaired, lost or given up is included in the statement of profit and loss when the compensation becomes receivable.

XVII. Taxes on income

The income tax expense comprises current tax and deferred tax. Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences, being the difference between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax asset is recognized subject to prudence and judgment that realization is more likely than not. Deferred tax assets and liabilities are measured using tax rates under tax laws that have been enacted before the balance sheet date. Changes in deferred tax assets/ liabilities on account of changes in enacted tax rates are given effect to in the profit and loss account in the period of the change.

XVIII. Provisions, Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Bank or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Bank creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. No provision is recognized, and a disclosure of contingent liability is made when there is:

- i. a possible obligation arising from a past event, the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Bank; or
- ii. a present obligation arising from a past event which is not recognized because:
 - it is not probable that an outflow of resources will be required to settle the obligation; or
 - a reliable estimate of the amount of the obligation cannot be made. The Bank does not expect the outcome of these contingencies to have a materially adverse effect on its financial results.

Provisions are determined based on management estimate required to settle the obligation at the balance sheet date, supplemented by experience of similar transactions. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. If a favourable Judgement/ Order is already there in respect of disputed items of taxation, no provisions or disclosures would be made in the books, in respect of such matters. The Bank does not create provision for the cases pending at first appellate authority and where there are no adverse judgements decided on such disputed matters by the High Court/Supreme Court/ Income Tax Appellate Tribunal/ or other such Appellate Authorities.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

XIX. Share Issue Expenses

Share issue expenses will be adjusted from the Share Premium Account in accordance with Section 52 of the Companies Act, 2013.

XX. Corporate Social Responsibility

Expenditure incurred towards Corporate Social Responsibility, in accordance with Companies Act, 2013 will be recognized in the Profit and Loss Account.

XXI. Priority Sector Lending Certificates (PSLC)

The fee paid for purchase of the PSLC would be treated as an 'Expense' and the fee received for the sale of PSLCs would be treated as 'Miscellaneous Income'.

XXII. Cash and cash equivalents:

Cash and cash equivalents include Cash in hand, Balances with RBI, and Balances with Other Banks/ institutions and money at call and short notice (including the effect of changes in exchange rates on cash and cash equivalents in foreign currency).

XXIII. Credit Card reward points

The Bank runs a loyalty program which seeks to recognise and reward customers based on their relationship with the Bank. Under the program, eligible customers are granted loyalty points redeemable in future, subject to certain conditions. The Bank estimates the probable redemption of such loyalty/reward on a quarterly. Provision for such costs is recognised in the Profit and Loss account and liabilities on the outstanding reward points as at the Balance Sheet date is included in 'Others' under Schedule 5 - Other liabilities and provisions.

1.3 Reserves and Surplus

Statutory Reserve

During the year ended March 31, 2026, the Bank had appropriated ₹ 25.69 Crore (previous year: ₹ 16.66 Crore) out of profits for the year ended March 31, 2026 to the Statutory Reserve in terms of section 17 of the Banking Regulation Act, 1949 and RBI guidelines.

Revaluation Reserve

During the financial year ended March 31, 2026, the Bank revalued its land and premises and the increase in the net book value on revaluation of ₹ 7.10 Crore (previous year Nil) is credited to revaluation reserve. An amount equivalent to additional depreciation on the revalued portion of the assets of ₹ 0.95 Crore (previous year ₹ 0.73 Crore) was transferred from Revaluation Reserve to Revenue Reserve.

Capital Reserve

In the case of equity instruments designated under AFS at the time of initial recognition, any gain or loss on sale of such investments shall be transferred from AFS Reserve to the Capital Reserve. During the year an amount of ₹ 2.03 Crore (previous year ₹ 0.64 Crore) (net of taxes) was transferred to Capital Reserve on sale of such Equity instruments. Profit on sale of investments amounting to ₹ 3.63 Crore (previous year: Nil) in the Held to Maturity category was credited to the Profit and Loss Account and thereafter appropriated to capital reserve (net of taxes and the amount required to be transferred to Statutory Reserves).

Investment Fluctuation Reserve (IFR)

IFR is created with an amount not less than lower of net profit on sale of investments during the year or net profit for the year less mandatory appropriations until the amount of IFR is at least 2 percent of the AFS and FVTPL portfolio (including HFT), on a continuing basis. During the year, Bank has transferred ₹ 2.83 Crore (previous year Nil) to Investment Fluctuation Reserve Account.

AFS Reserve

The valuation gains and losses across all performing investments, irrespective of classification (i.e., Government securities, Other approved securities, Bonds and Debentures, etc.), held under AFS shall be aggregated and net appreciation or depreciation shall be directly credited or debited to AFS reserve without routing through the Profit & Loss Account. The Bank has transferred the loss on account of transitional adjustment due to fair valuation of equity instruments amounting to ₹ 13.38 Crore in the previous year. During the year the Bank has transferred the loss of ₹ 30.00 Crore (previous year ₹ 9.17 Crore) (net of taxes) to AFS Reserve account.

Revenue Reserve:

An amount of ₹ 0.95 Crore (previous year ₹ 0.73 Crore) was credited to revenue reserves, being depreciation on the revalued assets. During the year 2024-2025, in compliance with RBI's Master Direction on classification, Valuation and Operation of Investment Portfolio of commercial Banks (Directions) 2023 dated 12th September 2023, the investments of the Bank have been reclassified, wherever required and valued in accordance with the above-mentioned RBI direction. Consequent to this, transitional adjustment on account of such reclassification of securities was credited to General Reserve to the extent of ₹ 44.91 Crore, which includes reversal of provision for depreciation of ₹ 13.74 Crore, amortization of discount on HTM securities of ₹ 2.66 Crore (net of taxes) and transfer of investment reserve of ₹ 28.51 Crore. Since the Bank had complied with minimum regulatory requirements of IFR, the balance in Investment Reserve Account as of April, 1, 2024 amounting to ₹ 28.51 Crore was also transferred to General Reserve.

Draw down from reserves

The Bank has not undertaken any drawdown from reserves during the year ended March 31, 2026 and March 31, 2025, except:

1. An amount of ₹ 0.95 Crore (previous year ₹ 0.73 Crore) was drawn from revaluation reserves and credited to revenue reserves, being depreciation on the revalued assets.
2. In FY 2024-25, Bank had adjusted the share issue expenses of ₹ 5.25 Crore, incurred for the equity share capital raised through the Rights Issue during the year ended March 31, 2025, against the share premium account in terms of Section 52 of the Companies Act, 2013 and Reserve Bank of India (Financial Statements - Presentation and Disclosures) Directions dated August 30, 2021 as amended.

Tier II Bonds: During the year ended March 31, 2026, the Bank issued lower Tier II Bonds (ISIN-INE680A08099) of ₹150.00 Crore.

ii) Qualitative Disclosure

The Bank measures and monitors the LCR in line with the Reserve Bank of India's circular dated November 28, 2025 on "Reserve Bank of India (Commercial Banks – Asset Liability Management) Directions, Chapter V- Liquidity Coverage Ratio (LCR)". The LCR guidelines aim to ensure that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30-calendar day time horizon under a significantly severe liquidity stress scenario. At a minimum, the stock of liquid assets should enable the bank to survive until day 30 of the stress scenario, by which time it is assumed that appropriate corrective actions can be taken. Banks are required to maintain HQLA of a minimum of 100% of its Net Cash Outflows. The adequacy in the LCR maintenance is an outcome of a conscious strategy of the Bank towards complying with LCR mandate ahead of the stipulated timelines. The maintenance of LCR, both on end of period and on an average basis, has been on account of multiple factors viz, increases in excess SLR, existing eligibility in corporate bond investments, increase in retail deposits and increase in non-callable deposits. Unweighted values are calculated as outstanding balances maturing or callable within 30 days (for inflows and outflows) except where otherwise mentioned in the circular and LCR template. Weighted values are calculated after the application of respective haircuts (for HQLA) or inflow and outflow rates (for inflows and outflows). Board of Directors of the Bank has empowered ALCO (Senior Management Executive Committee) to monitor and strategize the Balance Sheet profile of the Bank. The Bank has been maintaining HQLA primarily in the form of SLR investments over and above mandatory requirement; Certificate of Deposits issued by Banks with rating A1+ and above apart from regulatory dispensation allowed in the form of borrowing limit available through Marginal Standing Facility (MSF) and Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR). Average LCR for the Quarter ended March 31, 2026 is 119.88% (Quarter ended March 31, 2025: 159.58%), which is comfortably above RBI prescribed minimum requirement of 100%.

ii) Qualitative Disclosure

The Net Stable Funding Ratio (NSFR) is one of Basel Committee's key reforms to promote a more resilient banking sector. The NSFR will require banks to maintain a stable funding profile in relation to the composition of their assets and off-balance sheet activities. A sustainable funding structure is intended to reduce the likelihood that disruptions to a bank's regular sources of funding will erode its liquidity position in a way that would increase the risk of its failure and potentially lead to broader systemic stress. The NSFR limits overreliance on short-term wholesale funding, encourages better assessment of funding risk across all on- and off-balance sheet items, and promotes funding stability. The Bank is required to maintain the NSFR on an ongoing basis on a standalone Bank level and on a Group level. The minimum NSFR requirement set out in the RBI guideline for the standalone Bank and for Group effective October 1, 2021 is 100%. The Bank has complied with the regulatory requirements with respect to NSFR as of 31 March 2026.

NSFR Calculation Methodology	RBI prescribed minimum NSFR	Bank's NSFR for the Quarter ended March 31, 2026
NSFR= (Available amount of Stable funding) / (Required amount of Stable funding)	100%	148.10%

Bank has complied with regulatory requirements with respect to NSFR for all the Quarters for FY 2025-26 and FY 2024-25.

Additional provision for Non-Performing Assets

In addition to the minimum provisioning requirements prescribed by RBI under the Income Recognition, Asset Classification and Provisioning Directions, the Bank has maintained additional prudential provisions aggregating ₹59.95 Crore on NPAs, based on management's assessment of portfolio risks, recovery uncertainties and macroeconomic considerations. Considering the unsecured nature of certain exposures and uncertainties in recovery timelines, maintenance of additional prudential provision was considered a prudent measure. In addition to this, Bank has recognized full provision of ₹4.87 Crore as at 31 March 2026, in one account declared as fraud during Q4 FY 2026.

- Disclosures on risk exposure in Derivatives**

(a) Qualitative disclosures:

Structure and Organization for Management of risk in derivatives trading: Operations in the Treasury are segregated into three functional areas, namely Front office, Mid office and Back-office, equipped with necessary infrastructure and trained officers, whose responsibilities are well defined. The Bank enters into plain vanilla forward forex contracts only to backup / cover customer transactions as also for proprietary trading purpose. The Bank also enter in to foreign exchange swaps with other banks for hedging own balance sheet items like FCNR/ EEFC etc. The Treasury Management Policy of the Bank clearly lays down the scope of usages, approval process as also the limits like the open position limits, deal size limits and stop loss limits for trading. The Mid Office is handled by Risk Management Department. Daily report is generated by Risk Management Department for appraisal of the risk profile to the senior management for Asset and Liability management.

➤ Scope and nature of risk measurement, risk reporting and risk monitoring systems: Outstanding forward contracts are monitored by Risk Management Department against the limits (Counterparty, Stop Loss, Open Position, VaR, Aggregate Gap) fixed by the Board and approved by RBI (wherever applicable) and exceeding, if any, are reported to the appropriate authority / Board for ratification.

- Policies for hedging and / or mitigating and strategies and processes for monitoring the continuing effectiveness of hedges

/ mitigants: The Bank's policy lays down that the transactions with the corporate clients are to be undertaken only after the inherent credit exposures are quantified and approved for customer appropriateness and suitability and necessary documents like ISDA agreements etc. are duly executed. The Bank adopts Current Exposure Method for monitoring the credit exposures. While sanctioning the limits, the competent authority stipulates condition of obtaining collaterals / margin as deemed appropriate. The derivative limits are reviewed periodically along with other credit limits.

2. Accounting policy for recording the hedge and non-hedge transactions, recognition of Income premiums and discounts, valuation of outstanding contracts, provisioning, collateral and credit risk mitigation: Valuation of outstanding forward contracts are done as per FEDAI guidelines in force. Marked to market profit & loss are taken to Profit & Loss account. MTM profit & loss calculated as per Current Exposure method are taken into account while sanctioning forward contract limits to customers and collaterals / cash margins are prescribed for credit and market risks. The Bank undertakes foreign exchange forward contracts for its customers and hedges them with other banks. The credit exposure on account of forward contracts is also considered while arriving at the total exposure of each customer / borrower and counter party banker. The Bank also deals with other banks in proprietary trading duly adhering to risk limits permitted by RBI, set in the policy and is monitored by mid office. The Marked to Market values are monitored on daily basis for foreign exchange forward contracts. The credit equivalent is computed under current exposure method. The operations are conducted in terms of the policy guidelines issued by Reserve Bank of India from time to time and as approved by the Board of the Bank.

14. Developing and recommending to the Board the Corporate Governance guidelines applicable to the Bank for incorporating best practices from time to time

b) Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy.

In compliance with standards of corporate governance as well as regulatory reforms put forth by Reserve Bank of India, Bank has in place 'Compensation Policy of Whole time Directors (WTD), Chief Executive Officers, Material Risk Takers (MRTs) and Control Function Staff.

For employees who do not fall under the purview of above, we also have a 'Compensation Policy' clearly defining the compensation design in line with banking industry benchmarks, under two streams of employment viz. IBA and CTC.

c) Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks.

Based on the Financial Stability Board (FSB) principles for sound compensation practices which also formed a part of regulatory reforms circulated by RBI vide DOR. Appt. BC. No.23/ 29.67.001/2019-20 dated 04.11.2019, effective alignment of compensation with prudent risk taking while ensuring that compensation covers all types of risks including difficult to measure risks is already envisaged in 'Compensation Policy of WTDs, Chief Executive Officers, MRTs and Control Function Staff'.

The Policy also touches upon the sensitivity of payout schedule to the time horizon of risks.

In order to analyze the long-term consequences viz-a-viz risk appetite, our policy objective is to align regulatory guidelines with prevailing trends / practices in the industry to achieve a balanced scenario wherein

1. compensation is adjusted for all types of risks
2. compensation outcomes are symmetric with risk outcomes
3. compensation payouts are sensitive to the time horizon of risks and
4. mix of cash, equity and other forms of compensation are consistent with risk alignment.

Regarding the employees who are not covered under 'Compensation Policy of WTDs, Chief Executive Officers, MRTs and Control Function Staff', the payout falls under either IBA or CTC pattern.

The former is periodically revised by bi-partite settlements/ joint notes while the latter is linked to bank's performance and the individual's performance, complying with the statutory guidelines and the yardsticks approved by competent authorities.

d) Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration.

Compensation structure for the personnel covered under 'Compensation Policy of WTDs, Chief Executive Officers, MRTs and Control Function Staff' is a mix of fixed pay and variable pay with the latter proportionate to the responsibility/ seniority.

Bank will devise scoring model with specific parameters in tandem with the rules and authorities handled by the respective positions. The Board will review and finalize the score for each senior management position based on the audited figures of the previous financial year.

For employees coming under IBA pattern, the compensation shall be revised once in five years as decided by the bi-partite settlements/ joint notes, subject to granting of bank's mandate.

Under CTC pattern the increments shall be linked to bank's performance based on year-on-year yardsticks fixed by the Bank.

e) A discussion of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.

Norms for grant of share linked instruments shall be in conformity with the provisions of Securities & Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. Share linked instruments shall be fair valued on the date of grant by the bank using Black-Scholes Model.

Deferral of Variable Pay

In adherence to FSB implementation standards, a minimum of 60% of total Variable Pay shall be under deferral arrangement with further guidelines on cash component as follows:

- 1) If cash component is part of Variable Pay, at least 50% of the cash bonus shall be under deferral arrangement.
- 2) If cash component of Variable Pay is under ₹ 0.25 Crore, deferral payment for cash portion would not be necessary.

Period of Deferral Arrangement

Deferral Period shall be fixed as three years applicable to both cash and non-cash components of the Variable Pay. In order to ensure a proper assessment of risks before the application of ex-post adjustments, following guidelines shall be ensured for vesting.

- 1) Deferred portion of Variable Pay shall be spread out on a pro-rata basis, i.e., not more than 33.33% of the total deferred Variable Pay shall vest at the end of first year. Further, not more than 33.33% of total deferred Variable Pay shall vest at the end of second year.
- 2) The first such vesting shall not be before one year from the commencement of the deferral period.

Retention Period

There shall be a Retention Period (Lock-in period) of one year for Share-linked instruments forming part of Variable Pay, during which they cannot be sold or accessed.

f) Description of the different forms of variable remuneration (i.e., cash and types of share-linked instruments) that the bank utilizes and the rationale for using these different forms.

Variable pay shall consist of cash/ non-cash compensation by way of share linked instruments assessed on the basis of adequately measured performance of individual/ business unit.

Limits on Variable Pay:

- 1) Total Variable Pay, inclusive of cash and non-cash components for all positions other than Whole Time Directors and MD & CEO shall be 100% of the Fixed Pay (i.e., 50% of total remuneration).
- 2) For WTDs and MD & CEO, total Variable Pay shall not be less than 100% (i.e., 50% of total remuneration) and shall be limited to a maximum of 300% of the Fixed Pay.
- 3) If Variable Pay is up to 200% of Fixed Pay, a minimum of 50% of such variable pay shall be in the form of non-cash instruments.
- 4) If Variable Pay is over and above 200% of Fixed Pay, a minimum of 67% of such variable pay shall be in the form of non-cash instruments.
- 5) If grant of share-linked instruments is barred by statute or regulation, Variable Pay would be capped at 150% of the Fixed Pay with a lower base of 50%.

c) Description of Contingent Liabilities & Capital Commitments

i) Contingent Liabilities

Sr. No	Particulars*	Brief Description
1	Claims against the Bank not acknowledged as debts	The Bank is a party to various legal proceedings in the normal course of business. In all those cases, bank has not acknowledged the claims raised against the Bank and is defending. Hence the Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows
2	Liability on account of forward exchange and derivative contracts	The Bank enters into foreign exchange contracts and currency swaps with interbank participants and customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate.
3	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial banking activities the Bank issued documentary credit and guarantees on behalf of its customers. Documentary credits such as letters of credit, enhance the credit standing of the customers of the Bank. Guarantees generally represent irrevocable assurances that the Bank will make payments in the event of the customer failing to fulfill its financial or performance obligations.
4	Other items for which the Bank is contingently liable	Includes Disputed Tax, amount deposited with RBI under Depositor Education Awareness Fund and capital commitments

*Refer Schedule 12 for amounts relating to Contingent Liability

The Bank's pending litigations comprise of claims against the Bank by the clients and proceedings pending with Income Tax authorities/GST/VAT/Service Tax Authorities. The Bank has reviewed all its pending litigations and proceedings and has adequately provided for such liabilities where provisions are required and disclosed the contingent liabilities wherever applicable (other than SCN's), in its financial statements. The Management believes that the possibility of outflow of resources embodying economic benefits in these cases is possible but not probable and hence no provision is required in these cases. However, the contingent liability has been disclosed with respect to the cases, as found required.

ii) Capital commitments

Basel- III guidelines issued by RBI

Reserve Bank of India had issued Guidelines based on the Basel III reforms on capital regulation in May 2012, to the extent applicable to Banks operating in India. The Basel III capital regulation has been implemented from April 1, 2013 in India and the Bank is subject to the compliance with the regulatory limits and minimum CRAR prescribed under Basel III Capital Regulation on an ongoing basis. The Basel III Capital Regulations is as per the RBI Directions RBI/DOR/2025-26/151 DOR.CAPREC.70/21-01-002/2025-26 dated November 28, 2025 (latest updated as on 08.05.2026).

Basel III Capital regulations continue to be based on 3 mutually reinforcing Pillars viz, Minimum Capital requirements (Pillar I), Supervisory Review and Evaluation Process (Pillar II) and Market Discipline (Pillar III). The circular also prescribes the risk weights, for the Balance Sheet assets, non-funded items and other off Balance Sheet exposures and the minimum Capital Funds to be maintained as a ratio to the aggregate of the Risk Weighted Assets (RWA) and other exposures, as also, capital requirements in the Trading book, on an ongoing basis and Operational risk. The Basel-III norms mainly seek to:

- Raise the quality of capital to ensure that the Banks are capable to absorb losses on both as going concern and as gone concern basis,
- Increase the risk coverage of the capital framework
- Introduce Liquidity Coverage Ratio (LCR), Net Stable Funding Ratio (NSFR) and Leverage Ratio to serve as a backstop to the risk-based capital measure.
- Raise the standards for the Supervisory Review and Evaluation Process and Public Disclosures etc.

The macro prudential aspects of Basel III are largely enshrined in the capital buffers, viz., Capital Conservation Buffer and Counter Cyclical Capital Buffer. Both the buffers are intended to protect the Banking sector from stress situations and business cycles. The Capital Conservation Buffer requirements started from March 31, 2016 and are fully implemented by October 1, 2021.

Structure and Organization of the Risk Management function in the Bank

Risk exposure and assessment

The Bank has adopted an integrated approach for the management of risk. The Bank's Integrated Risk Management Department (IRMD) is the organisational arm for risk management functions. The Bank has developed a comprehensive risk rating system that serves as a single point indicator of diverse risk factors of counterparty and for taking credit decisions in a consistent manner. Major initiatives of IRMD are –

- ✓ Risk rating system is drawn up in a structured manner incorporating the parameters from the 5 main risk areas 1) Financial Risk, 2) Industry/ Market Risk, 3) Business Risk, 4) Management Risk, and 5) Facility risk
- ✓ Risk rating system is made applicable for loan accounts with total limits of ₹2 lakhs and above.
- ✓ Different Rating Models are used for different types of exposures, for eg. Traders, SME, NBFC, Corporate, Small Loans, Retail Loans etc.
- ✓ IRMD validates the ratings of all exposures of ₹100 lakhs and above.

- ✓ An independent analysis is carried out of the various risks attached to the credit proposals including industry analysis.
- ✓ Rating Migration analysis covering all exposures of ₹5 Cr and above is conducted on quarterly basis and migration analysis of exposures of ₹1 Cr & above is conducted on a half yearly basis. Rating Migration analysis covering all exposures of ₹25 lakhs and above is conducted on annual basis; Evaluates the asset quality by tracking the delinquencies and migration of borrower from one rating scale to another.

Credit facilities are sanctioned at various levels in accordance with the delegation approved by the Board. The Bank has in place the following hierarchical functionaries with delegated powers for credit sanction and administration:

- Branch Head with Assistant Branch Manager, jointly,
- Regional Credit Committee (RCC)
- RACC
- Corporate Credit Committee (CCC)
- Corporate Credit Committee (CCC1)
- Credit and Business Committee of the Board (CBCB)
- Board of Directors

Policies for hedging and/or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/ mitigants

The Bank has put in place a Board approved Policy on Credit Risk Mitigation Techniques and Collateral Management, covering the Credit Risk mitigation techniques used by the Bank for both risk management and capital computation purposes. Apart from the Basel defined collateral, the Bank ensures securities by way of inventories, Book Debts, Plant & Machineries, Land & Buildings and other moveable/ immovable assets/ properties. The Bank also accepts Personal/ Corporate guarantee as an additional comfort for Credit Risk mitigation. The securities are subjected to proper valuation as prescribed in the Credit Policy of the Bank.

Bank has laid down detailed guidelines on documentation to ensure legal certainty of Bank's charge on collaterals. In order to ensure that documents are properly executed, the function has been brought under the purview of Credit Officers. The Credit Officers at branches ensure documentation, ground level follow up, collection of feedback, closer monitoring of accounts, quality of asset portfolios, statistical analyses, reporting of irregularities, providing guidelines, compliance with policy prescriptions and adherence to terms of sanction.

The Bank has an exclusive set up for Credit Monitoring functions in order to have greater thrust on post sanction monitoring of loans and strengthen administering the various tools available under the Bank's policies on loan review mechanism. For effective loan review, the Bank has the following in place:

- On site monitoring tools like Inspection of Assets/ Books/ Stock of the borrower, Stock audit, Operations in the account, Payment of statutory dues etc.
- Recording of loan sanctioned by each sanctioning authority by the next higher authority.
- Offsite monitoring tools like Financial Follow-up Reports, verification of various statutory returns, Audit Reports etc.

(a) General:

Definitions of Past Due and Impaired (for accounting purposes)

The Bank has adopted the definition of the Past Due and Impaired (for accounting purposes) as defined by the Regulator for income recognition and these asset classification norms are furnished below:

1. Non-Performing Assets

An asset, including a leased asset, becomes non-performing when it ceases to generate income for the bank.

A non-performing asset (NPA) is a loan or an advance where;

- a) interest and/ or installment of principal remains overdue for a period of more than 90 days in respect of a term loan,
- b) the account remains 'out of order' as indicated at paragraph 2 below, in respect of an Overdraft/ Cash Credit (OD/ CC),
- c) the bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted,
- d) the installment of principal or interest thereon remains overdue for two crop seasons for short duration crops,
- e) the installment of principal or interest thereon remains overdue for one crop season for long duration crops,
- f) the amount of liquidity facility remains outstanding for more than 90 days, in respect of a securitisation transaction undertaken in terms of the Reserve Bank of India (Securitisation of Standard Assets) Directions, 2021.
- g) in respect of derivative transactions, the overdue receivables representing positive mark-to-market value of a derivative contract, if these remain unpaid for a period of 90 days from the specified due date for payment.

In addition, an account may also be classified as NPA in terms of any temporary deficiencies as defined by the Regulator.

2. **'Out of Order' status:** An account is treated as **'Out of Order'** if the outstanding balance in the CC/OD account remains continuously in excess of the sanctioned limit/drawing power for 90 days, or the outstanding balance in the CC/ OD account is less than the sanctioned limit/drawing power but there are no credits continuously for 90 days, or the outstanding balance in the CC/ OD account is less than the sanctioned limit/ drawing power but credits are not enough to cover the interest debited during the previous 90 days period.

3. **'Overdue':**

Any amount due to the bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the bank. The borrower accounts shall be flagged as overdue by the banks as part of their day-end processes for the due date, irrespective of the time of running such processes.

Strategies and Processes for Credit Risk Management

Credit Risk Management Committee (CRMC) headed by MD & CEO is the highest-level executive committee for Credit Risk management. The committee considers and takes decisions necessary to manage and control Credit Risk within overall quantitative prudential limit set up by Board. The committee is entrusted with the job of recommending to the Board for its approval, clear policies on standards for presentation of credit proposals, fine-tuning required in various rating models based on feedbacks or change in market scenario, approval of any other action necessary to comply with requirements set forth in Credit Risk Management Policy/ RBI guidelines or otherwise required for managing credit risk.

The Bank's strategies to manage the credit risks in its lending operations are as under:

- a) The Bank has a Comprehensive Board Approved Credit Risk Management Policy which is reviewed and revised annually. In addition to the above, various strategies with regard to Credit Risk management are covered under Bank's Credit Policy, Credit Monitoring Policy and Recovery Policy which are periodically reviewed by the Board.

TABLE DF 5 – CREDIT RISK MITIGATION- STANDARDISED APPROACH**Qualitative Disclosure:****(a) General****Policies and processes for collateral valuation and management:**

The Bank has put in place a Board approved policy on Credit Risk Mitigation Techniques and Collateral Management, covering the Credit Risk mitigation techniques used by the Bank for both risk management and capital computation purposes.

A description of the main types of collateral taken by the Bank

Collateral used by the Bank as risk mitigants for capital computation under Standardised Approach comprise eligible financial collaterals namely:

- Cash and fixed deposits of the counterparty with the Bank.
- Gold: value arrived at after notionally converting these to 99.99% purity.
- Securities issued by Central and State Governments.
- Kisan Vikas Patra and National Savings Certificates provided no lock-in period is operational and if they can be encashed within the holding period.
- Life Insurance Policies restricted to their surrender value.
- Debt securities rated by an approved Credit Rating Agency.
- Unrated Debt securities issued by Banks, listed in Stock Exchange.
- Units of Mutual Funds.

Bank has no practice of 'On Balance Sheet' netting for Credit Risk Mitigation.**The main types of Guarantor Counterparty and their creditworthiness**

Bank accepts guarantees of Individuals or Corporates with adequate Net Worth, as an additional comfort for mitigation of credit risk which can be translated into a direct claim on the guarantor and are unconditional and irrevocable. Main types of guarantor counterparty as per RBI guidelines are:

- Sovereigns (Central/ State Governments)
- Sovereign entities like ECGC, CGTMSE, CGFMU, CGFSEL, CRGFTLIH, NCGTC.
- Bank and Primary Dealers with a lower risk weight than the counterparty
- Other entities rated AA (-) and above. The Guarantees has to be issued by entities with a lower risk weight than the counterparty.

Information about risk concentrations of collaterals within the mitigation taken as on 31.03.2026:

Financial Risk Mitigants	Outstanding Covered by Risk Mitigants (In Cr)	Risk Concentration %
Gold	6451.61	90.71%
Cash & Deposits	563.91	7.93%
Guarantee	89.87	1.26%
LIC Policy	5.98	0.08%
KVP/VP/NSC	0.65	0.01%
Total	7112.01	100.00%

Majority of the financial collaterals held by the Bank are by way of Gold, own Deposits, Life Insurance Policies and other approved securities. Bank does not envisage market liquidity risk in respect of financial collaterals.

Concentration on account of collateral is also relevant in the case of Land & Building. However, as Land & Building is not recognised as eligible collateral under Basel III Standardised Approach, its value is not reduced from the amount of exposure in the process of computation of capital charge. It is used only in the case of Housing Loan to individuals and Non Performing Assets to determine the appropriate risk weight. As such, there is no concentration risk on account of nature of collaterals.

Strategies and processes

The overall objective of Market Risk management is to maximise shareholder value by improving the Bank's competitive advantage and reducing loss from all types of market risk loss events. For effective management of Market Risk, Bank has put in place a well-established framework with the Integrated Treasury Management Policy, Market Risk Management Policy and Asset Liability Management Policy. The Asset Liability Management Committee is responsible for establishing Market Risk management and Asset Liability management in the Bank. ALCO is a decision-making unit responsible for Balance Sheet planning from risk return perspective including the strategic management of Interest Rate and Liquidity Risks. ALCO ensures adherence to the limits set by RBI as well as the Board.

Scope and nature of risk reporting/ measurement systems

The Bank has put in place regulatory/ internal limits for various products and business activities relating to Trading book. Various exposure limits for Market Risk management such as Overnight limit, VaR limit, Daylight limit, Aggregate/ Individual Gap limit, Investment limits etc. are in place. The reporting system ensures time lines, reasonable accuracy with automation, highlight Portfolio risk concentrations and include written analysis. The reporting formats and frequency of reporting are periodically reviewed to ensure that they suffice for risk monitoring, measuring and mitigation requirements of the Bank. Bank also subjects Non SLR investments to credit rating.

Policies for hedging/ mitigating risk and strategies and processes for monitoring the continuing effectiveness of Hedges/ Mitigants:

Board approved policies viz., Integrated Treasury Management Policy and Asset Liability Management Policy provides the framework for risk assessment, identification, measurement and mitigation, risk limits & triggers, risk monitoring and reporting.

Liquidity risk of the Bank is assessed through Structural Liquidity Statement which is prepared on a daily basis. The Bank also reviews various Liquidity Ratios on a monthly basis in order to control the liquidity position. On monthly basis, Interest Rate Risk is analyzed from earnings perspective using Traditional Gap Analysis and economic value perspective using Duration Gap Analysis. Stress Tests are conducted at quarterly intervals to assess the impact of various contingencies on the Bank's earnings and the capital position.

The Bank uses Standardised Duration Approach for computation of Market Risk Capital charge on the Investment Portfolio held under HFT and AFS, Gold and Forex Open positions. The Market Risk Capital charge is calculated on a daily basis and reported to ALCO.

Strategies and processes: The Bank's strategy is to ensure that (1) the Operational risks which are inherent in Process, People and System and (2) the residual risks, are well managed by the implementation of effective Risk management techniques. Keeping this in view, the Bank has been following risk management measures which address the risks before and after implementation of a Process, Product and System. Before all new Products, Processes and Systems are cleared by the Product & Process Approval Committee (PPAC), they are risk vetted by the Operational Risk Management (ORM) cell. The ORM cell has completed Risk & Control Self-Assessment (RCSA) of thrust branches and other core functions highlighting the potential risks that can happen during the course of operations and to assess whether the controls are adequate to manage/ mitigate these risks. Risk Based Internal Audit is in place in all the Branches. The Bank has a RCSA Document approved by the Risk Management Committee of the Board (RMCB) and Board. The framework for Operational Risk Management is well defined in the Operational Risk Management (ORM) Policy which is reviewed and revised annually. The ORM Committee at the executive level, which meets at regular intervals oversees Bank wide implementation of Board approved policies and process in this regard. The Bank has put in place important policies like Information System Security Policy, Policy on Know Your Customer & Anti Money Laundering, Fraud Risk Management Policy, Business Continuity and Disaster Recovery Management Plan.

Scope and nature of risk reporting/ measurement systems:

The Bank has adopted Operational Loss Data Reporting Format from the Loss Data Methodology Document for collection of Loss Data, which will enable the Bank to eventually ease the transition to Advanced Measurement Approach for Capital Calculation. The ORM cell has a well-built internal Loss Data collection system in place. The risk reporting consists of operational risk loss incidents/ events occurred in branches/ offices relating to people, process, technology and external events.

Policies for hedging and/or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/ mitigants:

Internal control mechanism is in place to control and minimise the operational risks. If any controls are found to be ineffective during the course of Risk & Control Self-Assessment (RCSA), corrective measures are adopted in due course. A monitoring system is also in place for tracking the corrective actions plan periodically. Bank is using insurance for mitigating operational risk. The various Board approved policies viz., Operational Risk Management Policy, Outsourcing Policy, Compliance Policy, Audit & Inspection Policy, Internet Banking Security Policy; Policy on KYC & AML; Information Systems Security Policy and Business Continuity Plans addresses issues pertaining to Operational Risk Management.

Operational Risk Capital assessment:

The Bank has adopted Basic Indicator Approach for calculating capital charge for Operational Risk, as stipulated by the Reserve Bank of India. The ORM Cell is focusing on the qualitative and quantitative requirements (RCSA, KRI identification, Business Line mapping etc) prescribed by the regulator and these are being adopted by the Bank to move on to the Advanced Approaches in due course.

TABLE DF 09- INTEREST RATE RISK IN THE BANKING BOOK (IRRBB):
(a) Qualitative Disclosures:
Strategies and processes

The Bank has put in place a comprehensive Market Risk management framework to address market risks. The Asset Liability Management Policy prescribes the measurement of the Interest Rate Risk under two perspectives – Earnings Perspective and Economic Value Perspective.

Under Earnings perspective, Bank uses the Traditional Gap Analysis method to calculate the Earnings at Risk (EaR), which is the quantity by which net income might change in the event of an adverse change in interest rate. EaR is calculated on a fortnightly basis.

Under Economic Value Perspective, Bank uses Duration Gap Analysis to assess the impact of interest rate risk. The Duration Gap Analysis monitors the impact of changes in the interest rates on the Market Value of Equity (MVE). It is calculated on a monthly basis. The framework for managing Interest Rate Risk on the Economic Value of Equity (EVE) under Pillar II of Basel III is put in place through ICAAP Policy Document.

Scope and nature of risk reporting/ measurement systems

Interest Rate Risk under Duration Gap Analysis is evaluated on a monthly basis. The likely drop in Market Value of Equity for a 200-bps change in interest rates is computed. Earnings at Risk based on Traditional Gap Analysis are calculated on a fortnightly basis and adherence to tolerance limits set in this regard is monitored and reported to ALCO. Stress Tests are conducted to assess the impact of Interest Rate Risk under different stress scenarios on earnings of the Bank.

Policies for hedging/ mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/ mitigants

Bank has operationalised mitigating/ hedging measures prescribed by Treasury Management Policy, Asset Liability Management Policy and Stress Testing Policy. The strategy adopted by ALCO for mitigating the risk is by clearly articulating the acceptable levels of exposure to specific risk types (Interest Rate, Liquidity etc). The process for mitigating the risk is initiated by altering the mix of Asset and Liability composition and with the proper pricing of Advances and Deposits.

Brief description of the approach used for computation of Interest Rate risk

The traditional gap report is generated by grouping rate sensitive liabilities, assets and off-balance sheet positions into time buckets according to residual maturity or next repricing period, whichever is earlier and finding the gaps in each bucket. The gap is the difference between Rate Sensitive Assets (RSA) and Rate Sensitive Liabilities (RSL) for each time bucket. Earning at risk (EaR) is measured as the quantity by which net income might change in the event of an adverse change in interest rates.

The Interest Rate Risk (EVE) is computed through Duration Gap Analysis. The step-by-step approach for computing Modified Duration Gap is as follows:

- i) Identify variables such as principal amount, maturity date/ re pricing date, coupon rate, yield, frequency and basis of interest calculation for each item/ category of Rate Sensitive Asset/ Rate Sensitive Liability (RSA/ RSL).
- ii) Plot each item/ category of RSA/ RSL under the various time buckets. For this purpose, the absolute notional amount of rate sensitive off Balance Sheet items in each time bucket are included in RSA if positive or included in RSL if negative.
- iii) The mid-point of each time bucket is taken as a proxy for the maturity of all assets and liabilities in that time bucket.

- iv) Determine the coupon and the yield curve for arriving at the yields based on current market yields or current replacement cost for computation of Modified Duration (MD) of RSAs and RSLs.
- v) Calculate the Modified Duration (MD) in each time band of each item/ category of RSA/ RSL using the maturity date, yield, coupon rate, frequency, yield and basis for interest calculation.
- vi) Calculate the Modified Duration (MD) of each item/ category of RSA/ RSL as weighted average Modified Duration (MD) of each time band for that item.
- vii) Calculate the weighted average Modified Duration (MD) of all RSA (MDA) and RSL (MDL) to arrive at Modified Duration Gap (MDG).

(b) Quantitative Disclosures

The impact on Earnings at Risk and Economic Value of Equity for notional interest rate shocks as on 31.03.2026.

Earnings at Risk

Change in interest rate	Change in NII (₹ in Crore)
± 25 bps	8.05
± 50 bps	16.10
± 75 bps	24.15
± 100 bps	32.20

The Bank is computing Market Value of Equity based on Duration Gap Analysis.

For a 200 bps rate shock, the drop in equity value as on 31.03.2026	0.53%

Table DF -10: GENERAL DISCLOSURE FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK

Qualitative disclosures

Counterparty Credit Risk is the risk that the counterparty to a transaction could default before the final settlement of the transaction's cash flows. Bank has put in place Counterparty Credit Risk limits for banks as counterparty, based on a number of financial parameters like Net worth, capital adequacy ratio, rating etc of the counterparty bank and with the approval of the Board. Counterparty exposures for other entities are subject to comprehensive exposure ceilings fixed by the Board. Capital for Counterparty Credit Risk is assessed based on the Standardised Approach

Quantitative disclosures

The Bank does not recognise bilateral netting. The credit equivalent amounts of derivatives that are subjected to risk weighting are calculated as per the Current Exposure Method. The derivative exposure is calculated using Current Exposure Method and the balance outstanding as on March 31, 2026 is given below.

14. Developing and recommending to the Board the Corporate Governance guidelines applicable to the Bank for incorporating best practices from time to time.

b. Information relating to the design and structure of remuneration processes and the key features and objectives of Remuneration Policy.

Remuneration and other perquisites paid to the Managing Director & CEO and Executive Director are as approved by the Reserve Bank of India. Non-executive Directors are being paid sitting fees for each meeting attended by them. During the year, no remuneration, excepting sitting fees and reimbursement of actual travel and out-of-pocket expenses was paid.

The Bank has formed the Compensation Policy based on the Reserve Bank of India guidelines vide its circular DOR.Appt. BC.No.23/29.67.001/2019-20 dated 04/11/2019. The fixed remuneration and other allowances including retirement benefits of all subordinate, clerical and officers covering under IBA stream of employment is governed by the industry level wage settlement under Indian Banks Association (IBA) pattern. In respect of officers covered under Cost to the Company payment scheme, the overall salary will be pegged at 120% of IBA salary of corresponding grade. Officers appointed on contract basis are offered a fixed consolidated pay as determined by Board/ Committee/ MD & CEO on a case-to-case basis.

c. Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks.

The Board of Directors through the Nomination and Remuneration Committee of the Board shall exercise oversight and effective governance over the framing and implementation of the Compensation policy. Human Resource Management under the guidance of MD & CEO shall administer the Compensation and Benefit structure in line with the best suited practices and statutory requirements as applicable.

d. Description of the ways in which the Bank seeks to link performance during a performance measurement period with levels of remuneration.

The factors taken into account for the annual performance review are:

- The performance of the Bank
- The performance of the business unit
- Individual performance of the employee,
- Other risk perceptions and economic considerations

e. A discussion of the Bank's policy on deferral and vesting of variable remuneration and a discussion of the Bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.

- As of now Bank is not offering variable pay except for MD & CEO and Executive Director and hence no such deferral of variable pay is being offered to rest of the staff members.
- Employee Stock Option Scheme/ Employee Stock Option Plan as may be framed by the Board from time to time in conformity with relevant statutory provisions and SEBI guidelines as applicable will be excluded from the components of variable pay.

f. Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the Bank utilises and the rationale for using these different forms.

Variable pay means the compensation as fixed by the Board on recommendation of the Committee and approved by the Reserve Bank of India, wherever required, which is based on the performance appraisal of an employee in that role, that is, how well they accomplish their goals. It may be paid as:

- Performance Linked Incentives to those employees who are eligible for incentives
- Ex-gratia for other employees who are not eligible for Performance linked Incentives.
- Bonus for those staff members who are eligible for bonus under the Payment of Bonus Act, 1965.
- Employment Stock Option Plan (ESOP) for the eligible employees as approved by the Board.

As of now, Bank is not having a variable pay structure except for MD & CEO and Executive Director.

Table DF17- DISCLOSURE OF COMPARISON OF ACCOUNTING ASSETS VS. LEVERAGE RATIO

Leverage Ratio

Leverage ratio is a non-risk-based measure of all exposures for the Tier-I capital. The Leverage ratio is calibrated to act as a credible supplementary measure to the risk-based capital requirements. The Basel III Leverage ratio is defined as the Capital measure (the numerator) divided by the Exposure measure (the denominator), with this ratio expressed as a percentage. Effective from the quarter commencing October 1, 2019, the minimum leverage ratio shall be 3.50%.

$$\text{Leverage Ratio} = \frac{\text{Capital Measure (Tier I Capital)}}{\text{Exposure Measure}}$$

Liquidity Coverage Ratio Disclosure as on March 31, 2026

In the backdrop of the global financial crisis that started in 2007, the Basel Committee on Banking Supervision (BCBS) proposed certain reforms to strengthen global capital and liquidity regulations with the objective of promoting a more resilient banking sector. In this regard, the Basel III rules text on liquidity – “Basel III: International framework for liquidity risk measurement, standards and monitoring” was issued in December 2010 which presented the details of global regulatory standards on liquidity. Two minimum standards viz. Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR) for funding liquidity were prescribed by the Basel Committee for achieving two separate but complementary objectives.

The LCR promotes short-term resilience of banks to potential liquidity disruptions by ensuring that they have sufficient high quality liquid assets (HQLAs) to survive an acute stress scenario lasting for 30 days.

2. Qualitative Disclosure

The main drivers of HQLA:

Bank is maintaining adequate stock of High-Quality Liquid Asset to survive an acute stress scenario lasting for 30 days. HQLA of the Bank includes Cash in Hand (3% of HQLA), Government securities in excess of minimum SLR requirement (12% of HQLA), Government Securities within the mandatory SLR requirement to the extent allowed by RBI under MSF (9% of HQLA),

Level 2A and Level 2B assets are well within the regulatory cap of 40% and 15% of the stock of HQLA respectively after the required haircut.

Net Stable Funding Ratio Disclosure as on March 31, 2026

The Net Stable Funding Ratio (NSFR) is one of the Basel Committee's key reforms to promote a more resilient banking sector. The NSFR will require banks to maintain a stable funding profile in relation to the composition of their assets and off-balance sheet activities. A sustainable funding structure is intended to reduce the likelihood that disruptions to a bank's regular sources of funding will erode its liquidity position in a way that would increase the risk of its failure and potentially lead to broader systemic stress. The NSFR limits overreliance on short-term wholesale funding, encourages better assessment of funding risk across all on- and off-balance sheet items, and promotes funding stability.

The Bank is required to maintain the NSFR on an ongoing basis on a standalone Bank level and on a Group level. The minimum NSFR requirement set out in the RBI guideline for the standalone Bank and for Group effective October 1, 2021 is 100%. The Bank does not have any subsidiary as on date.

NSFR Calculation Methodology	RBI prescribed minimum NSFR	Bank's NSFR for the Quarter ended March 31, 2026
